## Decision Making

| Name:           | Date   |
|-----------------|--|
|                 | What   |
| State the       | decision to be made (or problem to be solved)  |
|                 |  |
| •               |  |
| •               | So What  |
| Alternative 1   | Pros (posítive outcomes from this decision)    |
|                 |  |
|                 | Cons (negative outcomes from this decision)    |
|                 |  |
| Alternative 2   | Pros (positive outcomes from this decision)    |
|                 |  |
|                 | Cons (negative outcomes from this decision)    |
|                 |  |
| Alternative 1   | Pros (positive outcomes from this decision)    |
|                 | 1 105 (positive outcomes from this decision)   |
|                 | Cons (negative outcomes from this decision)    |
|                 |  |
|                 | Now What                                       |
