### What is **CWF**?

Citizenship Washington Focus is an educational conference for youth ages 14 to 19. Delegates must be at least 14 years of age by time of travel to participate. Hosted at the National 4-H Center near Washington, D.C, it gives youth the opportunity to explore, develop, and refine the civic engagement skills they need in order to become outstanding leaders.

Through tours in the living classroom of Washington, D.C. and hands-on educational workshops, youth will learn about the history of our nation, the leaders who have shaped it, and how they can apply their enhanced leadership and citizenship skills to issues in their own community.
