Introductory Information Sessions
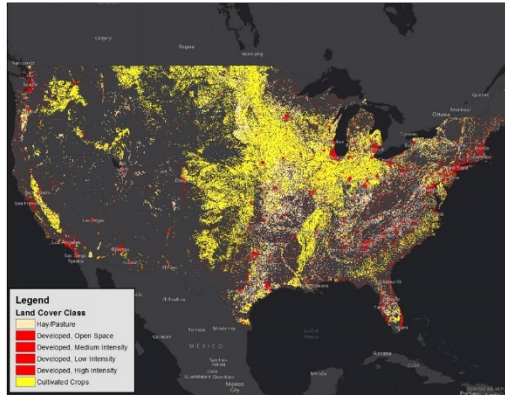

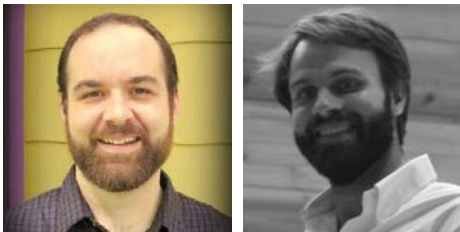

WSU Community Intelligence Lab

BIG DATA AND INFORMATION TECHNOLOGY SERIES

Dr. Justin G. Smith and Greg Schundler M.S. will be unveiling a new program to bring innovative data science and information technology education to Mason County.

Whether expanding job skills, improving nonprofit operations, or leveraging data to gain and retain customers for your small business, we are here to help you navigate the rapidly changing information technology landscape. From the simple to the complex, WSU is poised to bring you custom mentorship in database management, big data, programming, mapping and GIS, trends forecasting, and more…

Please visit http://tinyurl.com/WSUCIL to complete a survey on how the **Community Intelligence Lab** can help you with your Information Technology needs.
