myFacilities

Submit Work Requests and Monitor Event Notifications
Online at: <https://myfacilities.wsu.edu>

All work requested from Facilities Operations may be submitted through an online system at the above address. Requests can be made for routine maintenance and custodial needs, purchase of keys and signs, moving assistance, remodel projects and more.

This system also allows you to be notified of various activities related to maintenance and construction in the buildings on campus.

Please visit this site to submit your request or to get additional information.

Building Access:
335-9023
parrish@wsu.edu

Contact Custodial Services to confirm building lockup and unlock schedule or to request special access during non-scheduled times

Reserve vehicles:
335-9085

Contact the Motor Pool to reserve a vehicle or use online CARS reservation system through AIS.
