TO: Deans, Chairs and Directors
FROM: Daniel J. Bernardo
Provost and Executive Vice President

SUBJECT: Review of Progress Towards Tenure

Please be reminded that a Progress Toward Tenure Review must be performed yearly for each untenured tenure-track faculty member.

The review of progress towards tenure differs from the annual review in that the progress towards tenure requires input from the tenured faculty in the unit, whereas the annual review can reflect the opinion of the department chair or unit director. The review of progress towards tenure should assess the faculty member’s cumulative progress towards tenure. The annual review is solely based on performance in the year in question. Progress Toward Tenure Reviews should be done at the same time of year as the annual review and they should usually lead logically to the final tenure decision. Similar to the annual review, the local supervisor must also be consulted when reviewing the progress of faculty members at distant locations. The progress toward tenure review should be signed by both the chair and the faculty member. The faculty member has the right to attach a response to the review. The chair must also discuss the outcome of the review with the untenured faculty member. More information on Progress Toward Tenure Reviews is available in the Faculty Manual Section III D.3.d., http://facsen.wsu.edu/faculty_manual/.

The original of this form should be retained at the college level and a copy should be sent to HRS.

Thank you for your assistance in making sure this important activity is completed in a timely manner.
