Public Lecture

## Patriotism vs Nationalism

When should we be concerned?

Tuesday April 18 | 4:30 pm | CUE 203

Carol Swain, professor of political science and law at Vanderbilt University, will discuss the causes and manifestations of nationalism in the context of the new administration.

Swain is the author of the highly acclaimed book *Black Faces, Black Interests: The Representation of African Americans in Congress*, which has been cited in multiple Supreme Court decisions.
