The Greatest Show on Earth

The Evolution of Human Rights

Thursday October 5 | 4:30 p.m.

Foley Speaker's Room | 308 Bryan Hall

What do South Park and the quest for human rights have in common? Professor William Talbott will discuss an increasing commitment to human rights and justice in a world where human life on Earth has played out like a long-running TV reality show.

William Talbott is Professor of Philosophy and the Joff Hanauer Honors Professor in Western Civilization at the University of Washington.
