Foley Distinguished Lecture

# Authoritarianism and democracy in America

**Tuesday October 8 | 4:30pm | CUE 203**

In 2016, the election of Donald Trump ignited a new wave of political polarization in the U.S. With the pursuit of political hegemony and a growing aversion to bipartisan solutions, is democracy under threat?

**Steven Levitsky**, Harvard University, is the bestselling author of *How Democracies Die*, which examines the breakdown of democracy across the globe.
