Why hoard toilet paper?
The pandemic and social connectedness

Tuesday April 28 | 12pm

Watch it live on the Foley Institute YouTube channel
(https://www.youtube.com/c/foleyinstitute)

What does the panic buying of certain products like toilet paper during a pandemic tell us about our relationship to our community?

Hans Hacker (Arkansas State University) and William Blake (University of Maryland, Baltimore County) discuss why people act selfishly in times of crisis.
