

Gunfight!

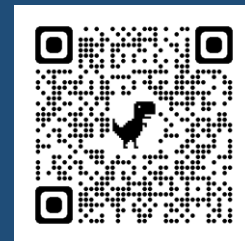

Gun policy and the gun industry

Tuesday Feb. 22 | 12pm
Live on YouTube

Guns are an enduring and deeply polarizing feature in American society. The gun industry has been accused of abandoning self-imposed restraints in favor of fueling extremism. How have we reached this situation, and can anything be done to promote a sensible approach to gun ownership?

Ryan Busse was a leading executive in the gun industry and is the author of the recent book *Gun Fight: My Battle Against the Industry that Radicalized America*.
