

Artificial Intelligence and the courts

Wednesday March 27 | 4:30pm
Foley Speaker's Room | 308 Bryan Hall

AI is changing many aspects of American life, including the law. How is it impacting legal practice and our court system? Join Justice Debra Stephens as she discusses how AI is impacting law and judging.

Debra Stephens has been a member of Washington's Supreme Court since 2008 and served as the court's 57th Chief Justice.
