Revised 10/12

## Director Approved Renewal Letter

Approved by  Sergei Y. Tolmachev, Director  
October 2012

*This letter is sent to both Routine Autopsy and Whole Body Registrants after their five-year renewal forms have been received, reviewed, and approved for renewal for an additional five-year term by the Director.*

### Director Approved Renewal

Date

Name  
Address

Dear Mr./Ms. [ ],

We are pleased that you have agreed to continue your participation in the research program of the United States Transuranium and Uranium Registries. It is your foresight, and that of others like you, that will provide better and more accurate assessments of exposures to uranium and transuranic elements.

We will keep you posted on the progress of the Registries in our annual newsletter. Enclosed for your records are copies of the following signed forms:

- INPUT CORRECT TITLE OF THIS FORM *Authorization for Use of Whole Body for Research OR Authority for Partial Body Autopsy*
- *Washington State University Registries Information and Research Study Consent*
- *Authorization to Create, Access, Use, and Share (Disclose) Health Information for Research*
- *Authorization for Release of Medical and Radiation Exposure Information*

Along with these forms is a wallet-sized card, which identifies you as a Registrant. Also enclosed is a Letter of Instruction to the Family.

If at any time you have questions or need to contact the Registries, please feel free to call us at 1-509-946-6870, or on our toll-free line, 1-800-375-9317.

Sincerely,

Sergei Y. Tolmachev  
Director
