One-year Extension: Data and Biological Specimens

Approved by 

Sergei Y. Tolmachev, Director
March 2019

I request an extension of my prior collaborative agreement to keep the indicated USTUR materials for one additional year. I agree to abide by the policies in P106 (Scientific Collaboration and Data Access) and P107 (Publications), and to maintain the confidentiality of the USTUR Registrants and their next-of-kin unless legally required to do otherwise.
