Welcome to the College of Arts and Sciences!

Please use this worksheet to prepare for your advising meeting tomorrow.

Step 1: Making sure your transfer work has been submitted to WSU
- ☐ Are you completing an AA degree?
- ☐ If you’re currently in classes at the transfer institution, some of your transfer course might not have been submitted. Please update WSU Admissions as soon as possible.
- ☐ If you’re not completing an AA degree, you will likely need to complete WSU’s lower division UCORE requirements.

Step 2: Have I met the College of Arts and Sciences requirements?
- ☐ Do you have 2 years of high school foreign language, or two semester or two quarters of a foreign language?
- ☐ Do you have two science labs?
- ☐ Do I have an additional [ARTS], [HUM], or [SSCI] designated course?

Step 3: My first semester classes (from presentation)
