

**Washington State University
School of Biological Sciences
Seminar Speakers Fall 2019**

Wednesday, Aug. 21 Abelson 201	Henning Kunz , Assistant Professor, School of Biological Sciences, Washington State University Title: <i>TBA</i>
Monday, Aug. 26 Abelson 201	Wes Dowd , Associate Professor, School of Biological Sciences, Washington State University Title: <i>Animal physiology in dynamic, complex environments: Challenges and opportunities</i>
Wednesday, Aug. 28 Abelson 201	Hanjo Hellmann , Associate Professor, School of Biological Sciences, Washington State University Title: <i>TBA</i>
Monday, Sept. 9 Abelson 201	Tracy Rittenhouse , Associate Professor, Dept. of Natural Resources and the Environment, University of Connecticut Title: <i>TBA</i>
Monday, Sept. 16 Abelson 201	Katie Marshall , Assistant Professor, Department of Zoology, U. of British Columbia Title: <i>How do we make sense of thermal biology in a variable world?</i>
Monday, Sept. 23 Abelson 201	Erica Crespi , Associate Professor, School of Biological Sciences, Washington State University Title: <i>TBA</i>
Monday, Sept. 30 Abelson 201	Matthew Andrews , Director, Nebraska EPSCoR & Professor, Dept. Natural Resources, U. Nebraska Title: <i>Nature's fat-burning machine: brown adipose tissue in a hibernating mammal</i>
Monday, Oct. 7 Abelson 201	Alan Bergland , Assistant Professor, Department of Biology, University of Virginia Title: <i>TBA</i>
Monday, Oct. 14 Abelson 201	Jesse Brunner , Associate Professor, School of Biological Sciences, Washington State University Title: <i>TBA</i>
Monday, Oct. 21 Abelson 201	Olivia Smith , PhD student, School of Biological Sciences, Washington State University Title: <i>Impacts of land use and farm intensification on multiple sustainability aspects</i>
Monday, Oct. 28 Abelson 201	Nathan McDowell , Earth Scientist, Pacific Northwest National Laboratory Title: <i>Global patterns and mechanisms of vegetation mortality</i>
Monday, Nov. 4 Abelson 201	Clayton Bailes , PhD student, School of Biological Sciences, Washington State University Title: <i>TBA</i>
Monday, Nov. 18 Abelson 201	Erika Serrano Romero , PhD student, School of Biological Sciences, Washington State University Title: <i>TBA</i>
Monday, Dec. 2 Abelson 201	David Mendoza-Cozatl , Associate Professor, Division of Plant Sciences, University of Missouri Title: <i>TBA</i>
Wednesday, Dec. 4 Abelson 201	Gretchen Rollwagen-Bollens , Associate Professor, School of Biological Sciences & School of the Environment, Washington State University Title: <i>TBA</i>

**All seminars start at 4:10 pm.
From 3:30 – 4:10 pm there will be refreshments in Abelson 306**
