Reflective Document Example

Stephen Hines: 1989 – 2015 From Professional CV: Continuing Education on Teaching:

* *These activities and the resulting outcomes are highlighted in my Educator's Reflective Document.*

- Participant – 1.5 day seminar series & discussion. Drs. Robert and Elizabeth Bjork. Professors, UCLA Department of Psychology and Director, [Learning and Forgetting Lab](#). Pullman, WA. September 10-11, 2015.
 - I. “Learning versus performance: A critical distinction in theory and practice.” Dr. Robert Bjork
 - II. “When, Why, and How Multiple-choice Tests Can Serve as Tools for Learning: Evidence from the Laboratory and the Classroom.” Dr. Elizabeth Bjork
 - III. “The increasing importance of knowing how to learn—and some evidence that we tend not to know already.” Dr. Robert Bjork
- Co-organizer & Participant – [2 day regional workshop](#) of the [Teaching Academy of West Region Colleges of Veterinary Medicine](#). Pullman, WA. July 23-24, 2015.
 - I. Keynote Workshop: "Declarative Sections of Your Teaching Portfolio: Making the Most of Your Look in the Mirror"
 - II. Educational Research Workshop: "An Introduction to Educational Research"

Lynne Robins, PhD, Professor, Department of Biomedical Informatics and Medical Education at the University of Washington School of Medicine's (UWSOM) and directs the UWSOM Teaching Scholars Program.
- Participant – 2 day symposium/workshop: “Beyond Assessing Knowledge.” Dr. Kimberly Tanner, Associate Professor, University of California – San Francisco and Director, Science Education Partnership and Assessment Laboratory (SEPAL). Sponsored by WSU CVM Teaching Academy. November 3-4, 2014. Pullman, WA.
- Participant and Speaker - [AAVMC Veterinary Educator Collaborative \(VEC\) Symposium](#). Hosted by Iowa State University College of Veterinary Medicine. June 13-15, 2014.

The Veterinary Educator Collaborative (VEC) is a working group under the associate deans of the Academic Affairs Committee of the Association of American Veterinary Medical Colleges that provides online and face-to-face collaboration and sharing between veterinary medical educators. VEC focuses on planning, faculty development, and sharing best practices. Participants exchange ideas, learn from each other, and generate new ideas in the context of an ongoing collaborative exchange. The collaborative serves as a mechanism to address challenges in veterinary education and is open to all veterinary educators and the educationalists who support them.
- Participant – 1 day workshop: “Test Writing: Getting the Best Measurement You Can.” Dr. Lynn Webb. Sponsored by WSU CVM Teaching Academy. April 3, 2014. Pullman, WA.

- Participant – 2 day symposium/workshop: “Using Metacognition in the Classroom.” Amy Siegesmund, PhD, Associate Professor of Biology at Pacific Lutheran University. Sponsored by WSU CVM Teaching Academy. January 16-17, 2014. Pullman, WA.
- Co-organizer & Participant –2 day regional workshop of the [Teaching Academy of West Region Colleges of Veterinary Medicine](#). Hosted by Oregon State University College of veterinary Medicine. Corvallis, OR. July 25-26, 2013.

- I. “Transforming your teaching into educational scholarship”
- II. “Conceptual Frameworks and their use in your scholarly work as a teacher, curriculum developer, assessor, mentor, and leader.”

Patricia S. O'Sullivan, EdD, University of California, San Francisco and
Dr. Sebastian Uijtdehaage, PhD, David Geffen School of Medicine, UCLA

- Participant - 2 day Workshop: “[Discipline-Based Educational Research](#)” Dr. Clarissa Dirks from Evergreen State College. Sponsored by WSU CVM Teaching Academy. April 8-9, 2013. Pullman, WA.
- Co-organizer & Participant –2 day Workshop: “[Current Issues in Veterinary Medical Education](#)”, featuring Dr. India Lane from the University of Tennessee in Knoxville. Sponsored by WSU CVM Teaching Academy. October 22-23, 2012. Pullman, WA.
- Participant: Annual Meeting. International Association of Medical Sciences Educators ([IAMSE](#)). Portland, OR. June 23-26, 2012.
- Co-organizer & Participant – 1-day workshop on “Learning Objectives”, featuring Dr. Ericka Suchman from Colorado State University. Sponsored by WSU CVM Teaching Academy. April 13, 2012. Pullman, WA.
- Co-organizer & Participant – 3 day Faculty Development Workshop: “[Active Learning](#)”. As part of my administrative role as Director of the CVM Teaching Academy, I worked with WSU’s Office of Assessment of Teaching & Learning and colleagues in the CVM to organize a 3 day cross-campus workshop featuring Dr. Diane O’Dowd. Dr. O’Dowd is an internationally recognized and NIH funded neuroscientist, HHMI Professor, and STEM educator from the University of California – Irvine. February 1-3, 2011. Pullman, WA. Supported by an intramural NSF-ADVANCE grant and the WSU CVM Teaching Academy.
- Organizer & Participant – 2 day Faculty Development Workshop: “[Outcomes Assessment](#)”. As part of my administrative role as Director of the CVM Teaching Academy, I worked with colleagues in the CVM to organize a 2 day workshop featuring Dr. Nichole Roberts. Dr. Roberts is a nationally known medical educator and director of Southern Illinois University School of Medicine’s Academy for Scholarship in Education. April 13-14, 2011. Pullman, WA.
- ¹ Organizer & Participant – 2 day Faculty Development Workshop: “[Teaching in Clinical Settings](#)”. As part of my new administrative role as Director of the CVM Teaching Academy, I organized a 2 day workshop featuring Dr. Judy Bowen, a nationally known medical educator from the Oregon Health& Science University in Portland. October 18-19, 2010. Pullman, WA.

¹ See Reflective Document in Teaching Portfolio for Outcomes

- Participant & Organizer – Exam Writing Workshop; Scott Bublitz from Exam Design Inc. Sponsored by the WSU College of Veterinary Medicine. Topics included: developing an exam blueprint, writing quality exam questions, tailoring questions to match cognitive complexity of subject (recall vs. application vs. analysis), peer review and validation process, conducting a job or content analysis, psychometric best-practice to improve exam quality, setting an appropriate passing score, and basic statistics used to determine exam quality. Pullman, WA. October 29-30, 2008.
- Participant – 2 day workshop. Jerry Newbrey Memorial Symposium / “Communication Matters: Raising the Bar on Communication Competency in Veterinary Medicine.” Faculty Development Program. January 5-6, 2005.
- Participant. Jerry Newbrey Memorial Symposium / Mini-Symposium on Teaching and Learning. “Promoting the Emotional Intelligence and Character Development of Tomorrow’s Veterinarians.” Faculty Development Program. January 9, 2003.
- Education Workshop: “Developing and Maintaining Teaching Excellence in Veterinary Medicine.” (Moderators: Dr. Deborah Kochevar Texas A&M University, Dr. Derek Moser Kansas State University, and Dr. Michael Willard Texas A&M University.) Sponsored by the WSU College of Veterinary Medicine and the Jarrett W. Newbrey Lectureship. Pullman, WA. January 7, 2000.
- Participant. CVM Teaching Workshop: “Becoming an Effective Teacher for Diverse Audiences.” (Moderator: Dr. Michael Pavel, College of Education, Washington State University.) Pullman, WA. October 21, 1997.
- Participant. CVM Teaching Workshop: "Medical Knowledge and Use in Diagnostic Reasoning", (Moderator: Dr. Georges Bordage, Department of Medical Education, University of Illinois at Chicago.) Pullman, WA. May 17, 1996.
- Participant. CVM Teaching Workshop: "Learning Modules for Subject Mastery", (Moderator: Prof. Charlene Clark, ICNE) Pullman, WA. April 11, 1996.
- Participant. CVM Teaching Workshop: "Using Computers to Facilitate Learning", (Moderators: K. Beerman, C. Dhein, K. Kardong, P. Scuderi and G. Brown.) Pullman, WA. December 13, 1995.
- Participant. Richard B. Wescott Symposium: "Teaching and Learning Issues in a Novel and Unique Veterinary Medical Curriculum" (moderated by representative of Cornell University). Washington State University College of Veterinary Medicine, Pullman, WA. May 12, 1995.
- Participant: CVM Teaching Workshop: "Teaching in Clinical and Small Group Settings" (moderated by Dr. Jan Karline, University of Washington School of Medicine). Pullman, Wa. March 23, 1995.
- ² Faculty Representative, WSU College of Veterinary Medicine. “Problem Based Learning in Veterinary Education: Challenges in Implementation.” San Diego, California, March 3-5, 1995.
² See [Reflective Document in Teaching Portfolio for Outcomes](#)
- Participant. Writing across the curriculum (M course workshop). Washington State University. Pullman, WA. Dr. S. McLeod, moderator. January 12, 1995.

- ² Organizer and participant. WSU College of Veterinary Medicine Faculty Development Program on Problem-Based Learning. (Guest moderators: Dr. LuAnn Wilkerson, Assistant Dean for Education, UCLA School of Medicine and Dr. David Irby, Assistant Dean for Planning, Division of Research in Medical Education, University of Washington School of Medicine.) June 1 and 2, 1993. ² See [Reflective Document in Teaching Portfolio for Outcomes](#)
- Participant. Jerry Newbrey Memorial Lecture / Mini-Symposium on Teaching and Learning. (Guest Moderators: Dr. William Banks, Associate Dean for Academic Affairs, Texas A&M University College of Veterinary Medicine and Dr. Carl Osborne, Professor, University of Minnesota College of Veterinary Medicine.) Pullman, WA. March 25, 1993.
- ² Faculty Representative, WSU College of Veterinary Medicine. American Animal Hospital Association fourth Faculty Development Program, Part II (Problem-based Learning). Bowman - Gray School of Medicine, Winston-Salem, North Carolina. November 21-22, 1992. ² See [Reflective Document in Teaching Portfolio for Outcomes](#)
- Participant. 12th Veterinary Medical Education Symposium. Faculty Development: Capitalizing on Computers and Cooperation. Ames, Iowa. June 13-15, 1992.
- ² Faculty Representative, WSU College of Veterinary Medicine. American Animal Hospital Association fourth Faculty Development Program (Problem-based Learning). New Orleans, Louisiana. April 25-26, 1992. ² See [Reflective Document in Teaching Portfolio for Outcomes](#)
- Participant. Jerry Newbrey Memorial Lecture. "Ways of Making Veterinary Clinical Medicine More Meaningful, Valid and Cost Effective." (Dr. James A. Farmer, College of Education, University of Illinois). Pullman, WA. November 8, 1990.
- Participant. WSU Faculty Seminar on Effective Teaching. "Using Case Studies and Discussion Techniques to Encourage Critical Thinking Skills." (Dr. Sharon McDade, Director of the Institute for Educational Management at Harvard University). Pullman, WA. February 21, 1990.
