ABSTRACT: <i>Brief (2-3 sentences) description of your session.</i>
Quizizz is a free software (quizizz.com) to “gamify” quizzes to either play in class (live mode) or use as homework. Questions are graded by accuracy and also by time, so there is a wide spread of student achievement, and the instructor can review the questions afterwards. This presentation will go through a quizizz quiz, included avatars, memes, and fabulous prizes!
