TEACHING INNOVATIONS ABSTRACT SUBMISSION: Deadline = May 20, 2019

These are informal presentations sharing teaching experiences and likely do not represent a completed research study; choose a topic below:

- Teaching experiments that failed and what I learned
- My approach to teaching on the clinic floor

- Open topics (e.g. Teaching with technology, other innovations, what I do, etc.)

Format: Podium presentation (8-10 minutes with 5-7 minutes for questions and discussion)

TITLE:
Adaptive and personalized learning using SmartSparrow: a trial
AUTHORS: - with affiliation(s)
Christine Olver, Colorado State University
ABSTRACT: <i>Brief (2-3 sentences) description of your session.</i>
SmartSparrow is software for adaptive and personalized learning, with the ability to lead students sequentially through case studies using multiple types of questions and media resources. This presentation will display the use of SmartSparrow for an in-class case study in an elective clinical pathology class, including students responses to the experience.
