Student Assessment of Teaching Effectiveness: The college conducts a systematic evaluation of teaching at the end of each semester, consisting of 7 questions per Instructor. The question regarding overall assessment reads, "Overall, this instructor was effective and as a result I learned a lot." There was an average of 76 responses per year, 2018-2021. (See Appendix 1 for complete evaluations)

	[redacted]	CVM Mean
2021*	**4.93**	4.4
2020	**4.55**	4.47
2019	**4.58**	4.28
2018	**3.47**	4.34
