**Attachments:** ATT00001.txt

We are very pleased to announce that the JP Morgan Chase Central Travel Account (CTA) platform is up and running, and that many of you have already been able to resume business as usual in the new system. We'd like extend our thanks to all the users and reconcilers for their support, assistance and patience while we worked through the migration. It's a pleasure being a part of such a supportive team.

More information and guidance can be found at [http://purchasing.wsu.edu/PNet4\\_CTA.html](http://purchasing.wsu.edu/PNet4_CTA.html). We'd also like to remind everyone that we've found Firefox to be the best browser choice for this application.

**IMPORTANT: THIS IS ONLY FOR THE CTA PROGRAM.**
