**Subject:** [Controllers\_office] New Object Code!  
**Attachments:** ATT00001.txt

To Area Financial Officers:

The Controller's Office has created a new object sub-object – 03LD Submission/Publication Costs. This object subobject should be used when paying fees relating to article and journal submission costs and/or page fees.

This sub-object is now available for use. It has been added to PNet4 as well.

Thanks,  
Gerik
