** DESCRIPTION OF FRINGE BENEFITS RATE BASE:
Salaries and wages excluding vacation, holiday, sick leave pay and other paid absences, and direct charged fringe benefits.

(1) Cooperative Extension Energy Office
SECTION II: SPECIAL REMARKS

TREATMENT OF FRINGE BENEFITS:

Except for CEEO employees (Admin/Prof/Faculty and Classified Categories only), this organization charges the actual cost of each fringe benefit direct to Federal projects. However, it uses a fringe benefit rate which is applied to salaries and wages in budgeting fringe benefit costs under project proposals.

The following fringe benefits are treated as direct costs: SOCIAL SECURITY, WORKERS COMPENSATION, HEALTH/LIFE/DISABILITY INSURANCE, UNEMPLOYMENT COMPENSATION, RETIREMENT (TIAA/CREF, PERS), AND QUALIFIED STUDENT TUITION REDUCTION (TUITION REMISSION).

For CEEO employees (Admin/Prof/Faculty and Classified Categories only), this organization uses a fringe benefit rate which is applied to salaries for budgeting and charging purposes for Federal projects. The following fringe benefits are included in CEEO fringe benefit rate: PAID ABSENCES

The following fringe benefits are treated as direct costs: SOCIAL SECURITY, WORKERS COMPENSATION, HEALTH/LIFE/DISABILITY INSURANCE, UNEMPLOYMENT COMPENSATION, RETIREMENT (TIAA/CREF, PERS).

TREATMENT OF PAID ABSENCES

Except for CEEO employees (Admin/Prof/Faculty and Classified Categories only), vacation, holiday, sick leave pay and other paid absences are included in salaries and wages and are charged to Federal projects as part of the normal charge for salaries and wages. Separate charges for the cost of these absences are not made.

For CEEO (Admin/Prof/Faculty and Classified Categories only), the cost of vacation, holiday, sick leave pay, and other paid absences are included in a fringe benefit rate and are not included in direct charges for salaries. Charges for salaries must exclude those paid to CEEO employees (Admin/Prof/Faculty and Classified Categories only) for periods when they are on vacation, holiday, or sick leave, or are otherwise absent from work.
DEFINITION OF OFF-CAMPUS: A project is considered off-campus if the activity is conducted at locations other than in University owned or operated facilities and indirect costs associated with physical plant and library are not considered applicable to the project.

DEFINITION OF EQUIPMENT
Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds $5,000.

The four-year extension of the indirect cost rate was granted in accordance with 2 CFR 200.414(g).

NEXT PROPOSALS DUE DATE
Your next Facilities & Administrative proposal based on fiscal year ending 06/30/2022 is due in our office by 12/31/2022, and your next fringe benefits proposal based on your fiscal year ending 06/30/2019 (and fiscal year ending 06/30/2018 for Classified Employees) are due in our office by 12/31/2019.
SECTION III: GENERAL

A. LIMITATIONS:
The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions: (1) Only costs incurred by the organization were included in its facilities and administrative cost pools as finally accepted; such costs are legal obligations of the organization and are allowable under the governing cost principles; (2) The same costs that have been treated as facilities and administrative costs are not claimed as direct costs; (3) Similar types of costs have been accorded consistent accounting treatment; and (4) The information provided by the organization which was used to establish the rates is not later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

B. ACCOUNTING CHANGES:
This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in the charging of a particular type of cost from facilities and administrative to direct. Failure to obtain approval may result in cost disallowances.

C. FIXED RATES:
If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

D. USE BY OTHER FEDERAL AGENCIES:
The rates in this Agreement were approved in accordance with the authority in Title 2 of the Code of Federal Regulations, Part 200 (2 CFR 200), and should be applied to grants, contracts and other agreements covered by 2 CFR 200, subject to any limitations in A above. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the Agreement.

E. OTHER:
If any Federal contract, grant or other agreement is reimbursing facilities and administrative costs by a means other than the approved rate(s) in this Agreement, the organization should (1) credit such costs to the affected programs, and (2) apply the approved rate(s) to the appropriate base to identify the proper amount of facilities and administrative costs allocable to these programs.
