Use of District Facilities
Battle Ground School District No. 119
GENERAL INFORMATION

ALL BUILDINGS AND GROUNDS OF THE DISTRICT ARE TOBACCO-FREE, ALCOHOL-FREE, DRUG-FREE, AND VIOLENCE-FREE ZONES.

Although the buildings and grounds of the Battle Ground School District are primarily for public school purposes, the District shall make district facilities available to the community for appropriate activities which do not infringe upon nor interfere with the primary purpose for which the buildings and grounds are intended. In the event of an emergency caused by war or natural disaster, buildings and other facilities will be made available for use in providing mass shelter and care of disaster victims.

It is not the intent of the Battle Ground School District to compete with private enterprises in the renting of facilities. The administration reserves the right to reject any application for use of a school facility when it believes a commercial facility should be patronized.

Profit-making groups whose activities are intended to advance business or corporate income, shall be allowed use only when a private facility is not available.

Authorization for use of school facilities shall not be considered as endorsement or approval of the activity, group, or organization or the purposes they represent.

Breaks, holidays, non-school days, District and Community Education activities are given priority and may “bump” scheduled non-district activities. Every effort will be made to notify you using the information above if a cancellation is necessary.

At Battle Ground School District facilities, all parties are prohibited from discrimination against any person on the basis of sex; in the operation, conduct, or administration of community athletic programs for youth or adults.

Private non-profit youth sports groups are required to be in compliance with youth sports head injury requirements and will need to complete and sign the Battle Ground School District’s Statement of Compliance with Youth Sports Head Injury Requirements and insurance requirements.

I understand that proof of insurance and/or personal identification may be required as part of the application process.

I understand that access to school facilities or fields may not be granted until all requirements of this application are complete and approved by the school district and/or designee. I have read the rules and regulations relating to use of school facilities and agree to abide by them. Failure to do so will result in the cancellation of the application and use of the facilities immediately.

GROUP ACTIVITIES

Student Groups, School District employee groups (i.e., BGEA, PSE), school-sponsored PDC, PTA/PTO and other parent groups shall be permitted to use facilities without charge unless special provisions are necessary (e.g., weekend/holiday, personnel, special lighting, heating, maintenance personnel, special seating, use of equipment, etc.).

Attendance at an activity held at District facilities by a nonpaying group shall be open to anyone whose interest is consistent with the purpose for which the group is assembled.

Groups whose activities restrict participation in any way, religious organizations, issue-oriented groups, political organizations, preschool and day care programs, fraternal organizations, and instructional institutions shall pay according to the rate schedule. Family reunions, other reunions, wedding receptions, Bar Mitzvahs, anniversaries, birthday parties, rummage sales, etc., are not considered appropriate for rental.
The District administration shall charge users per a fee schedule. In the event of multiple facility use, extended term use, or other special situations, the administration reserves the right to negotiate a separate agreement applicable to the circumstances.

Facility Use Agreements
Agreements will not be granted for any use which in the judgment of the District:
1. May be in any way prejudicial to the best interests of the schools or the educational system.
2. Lacks satisfactory sponsorship or adequate adult supervision.
3. Might result in undue damage or wear.
4. Is not consistent with the use for which the space was designed.

In order to make the District facilities available to as many groups as possible, groups may be limited to one time period per week. Exceptions shall be certain activities such as YMCA/YWCA, Scouts, etc., which involve children who reside in the District.

Applications allocating space for community-use programs will be processed generally on a first-come basis after school programs have been established. Preference will be given to youth groups of the District and other groups whose membership contain the largest percentage of District residents. Persons or groups with out proper Facility Use Agreements will not be admitted to any school facility. The District reserves the right to adjust or restrict the hours of use by any group or person in order to accommodate the greatest number of requests.

The building administrator or designated supervisor shall have the authority to stop any activity at any time if, in his or her judgment, there are violations of any rule or regulation, or if the activity is deemed to be hazardous to personnel, buildings, equipment, etc.

The signed Facility Use Application shall constitute acceptance by the applicant of the responsibilities stated and agreement to comply with all rules and regulations regarding the use of District facilities.

There will be no subleasing of District facilities.

USE RESTRICTIONS

Vending of refreshments and food, the transacting of business, merchandising, advertising or the signing of contracts, other than those which occur in the normal business of the district or affecting the students and employees of the District, are not allowed on District property except by special contract arrangement. All Facility Use Agreements automatically expire at the close of the school year. Summer usage will be handled on a limited, individual basis.

In the event of duplicate schedules or other error which cannot be accommodated by the District representative in charge, the group or person holding the earliest dated Agreement shall have precedence. However, if for any reason a school function is scheduled or rescheduled to conflict with an outside use, the school shall have precedence.

If a District facility is closed due to weather conditions, equipment failure, holidays, vacation, teacher work days, or any other reason, events for the facility and day are cancelled without notification and must be rescheduled in the usual manner.

A Facility Use Agreement shall not be considered by the applicant as a lease and the District reserves the right to cancel or revoke any Facility Use Agreement at any time when it deems such action advisable and in the best interest of the School District, or to modify its policies at any time. All facility use authorizations expire at the close of the school year.

The school district reserves the right to cancel non-school activities in favor of school activities whenever the two conflict for time.

FEES

Users of the facilities will be charged according to the appropriate user category as defined below. Groups using the facilities will be charged for services of District personnel required for supervision and/or custodial services. Reciprocal facility use will be considered in calculating user charges.

Organizations seeking the use of school facilities have been divided into three categories for the purpose of determining rental rates:

**Group I**

Community Education Groups, School-Related Organizations, District Employee Groups, and Government Agencies: This category includes 1) non-profit organizations whose main purpose is to promote educational programs of the community, 2) District employee groups, and local governmental agencies providing service to the community. Examples of Group I: BGSA, PSE, PDC, PTA/PTO, City of Battle Ground, Battle Ground Police and Fire Departments. No fee shall be charged provided that additional staff is not employed to supervise or clean the facilities. A rental charge shall be established to recover unusual utility costs or other costs which may be incurred.

**Group II**

Non-Profit Educational, Special Interest Groups and Recreational Groups: This category includes organizations requesting use of school facilities for lectures, college courses, recreation, sports camps, or other activities. Examples of Group II: Sports teams, garden clubs, service clubs, community clubs, neighborhood associations and political caucuses. Non-profit groups of the kind that in most communities have their own facilities (churches, lodges, veterans groups, granges, etc.) who wish to use district facilities on a regular, but temporary, basis may do so under this rental rate, but for no more than two years and may not average more than twelve hours of use per week.

**Group III**

Private and Commercial Enterprises: This category includes churches (after first two years of contract), private social groups, fund-raising groups and organizations utilizing school facilities for self or corporate income and all other activities not classified above.

Use of school facilities for the purpose of financial gain is discouraged. Profit-making groups whose activities are intended to advance business or corporate income shall be allowed use only when a private facility is not available. Such groups will be charged the prevailing rate for commercial facilities in the area.

Family reunions, wedding receptions, bar mitzvahs, anniversaries, birthday parties, rummage sales, etc., are not considered appropriate for rental.

Notwithstanding anything in this agreement to the contrary, the parties expressly acknowledge and agree that WSU and its officers, employees, agents, and registered volunteers, while acting in good faith within the scope of their official WSU duties, are covered by the State of Washington Self-insurance Liability Program (RCW 43.39.766 et seq.) and the Tort Claims Act (RCW 4.92.060 et seq.). Successful claims to pay legal liabilities and defense costs of the state resulting from tortious conduct of WSU and its employees, officers, agents, and registered volunteers in the performance of their official WSU duties in good faith under this Agreement will be paid from the tort claims liability account as provided in RCW 4.92.130. Notwithstanding anything in this Agreement to the contrary, the extent of the liability WSU contractually assumes under this Agreement is limited to those risks for which WSU is covered by the State of Washington Self-Insurance Liability Program and the Tort Claims Act.
