

Cover Sheet

To the Student:

Guidelines for submitting papers:

1. Ideally, papers should be typed.
2. You must submit three papers, no more than one from a single course.
3. Each paper must have a completed Writing Portfolio submission cover sheet signed by the instructor of the course. If the instructor is unavailable to sign the cover sheet (i.e. an instructor from another school), an acceptable alternative would be to submit an email from the instructor. The email should include verification that the paper is your work and a rating of "Acceptable" or "Exceptional." You may photocopy extra cover sheets or download them from our website.
4. Submissions must be the original papers turned in for evaluation and grading. If you have only a clean copy, with no instructor's marks on it, then you must have the instructor initial pages as proof that it was submitted for the course.
