CRAAP... Is this a good source??

Currency
[timeliness of the info in the source]
- What does your assignment ask for?
  - Is there a certain time period you need to focus on?
- How old or new is the source?
- Has the content been updated?

Relevance
[importance of info that you’re talking about]
- Does it relate to your main point/argument?
  - How do you plan to connect the info to what you’re writing?

Authority
[the source of the info]
- Who is the author/writer of the info?
- What is the author(s) academic background?
  - Are they a scholar/professional in the field of your topic?
- Does the author(s) experience or background relate and/or add to your argument?

Accuracy
[reliability of the info]
- Is the info supported by evidence?
  - Is the evidence from academic sources?
- Has the info been reviewed by other professionals in the same field?

Purpose
[why the info is written about]
- Does the author clearly take a side on the topic?
  - Is there any bias?
  - Does this help to support your argument?
- Why was this written in the first place?
