Elson S. Floyd College of Medicine’s (ESFCOM) DRAFT Strategic Phases for Achieving Washington’s Vision for Pathway Programs

Phase I: Needs Assessment and Action Consortium

• Provide resources to constituents to support a pathway to medicine for their students

• Identify signature ESFCOM program to scale up and support schools’ efforts to inspire careers in medicine

• Initiate the consortium to develop a state-wide, comprehensive pathway plan

• Identify funding support to implement a state-wide, comprehensive pathway plan
