

IN ATTENDANCE

Present: Patrick, Becky, Carly, Kendal, David, Sam B., Danny, Saad, Kyle, Erik

APPROVAL OF MINUTES

Becky

FURNITURE

The allocated furniture budget needs to be used before the end of the academic/fiscal year. Due to this time constraint, the order should be placed in the near future. Some ideas were treadmill desks, standing desks, more microwaves, a coat rack, shoe trays, exercise ball chairs, first aid kits, and a fan. The order will be confirmed next meeting.

CLASS CULTURE

Last week Erik attended the student council meeting to talk about class culture. That discussion was continued this week. Related to the idea of class culture, the various modes of communication and feedback were discussed. Erik, along with the other “culture champions” will work together to develop some programming surrounding class culture, while the student council, Danny, and Dr. Cooper will work on clarifying the means of communication.

HEALTH FAIR

The WSU Spokane health fair will take place at Sheridan Elementary School on Thursday March 8th. It will last 3 hours. Volunteers for this event will be found through Dean Harrison.

ASWSU RECAP

Representatives from the Student Council met with the ASWSU President last week. On campus space issues were discussed.
