

IN ATTENDANCE

Present: Arianna, Sean, Troy, Zach, Erin J., Erin K., David, Dr. Jacobs, Dr. Cooper

APPROVAL OF MINUTES

Approved

VCC CONCERN

There is student concern that some students have that some students are able to access the VCC and its equipment, while other student groups and individuals are not available to do so. As of now, the VCC is working on a scheduling system for students to access the VCC. The specifics in regards to this issue are lacking, but the perception remains that certain groups have preferential access. It was decided that the VCC will be contacted to clarify VCC and equipment access.

AWARDS COMMITTEE UPDATE

Some student council members attended a meeting about the planned awards ceremony. As of now, there are planned student awards, faculty and staff awards, and community member awards. It was noted that it needs to be planned in a way with regards to longevity of the ceremony and inclusiveness to all areas of the College of Medicine.

ESFCOM STUDENT COUNCIL

There is a continuing discussion around a student council that includes all of the programs under ESFCOM. Department chairs from the other departments will be contacted to continue this conversation.

ATTENDANCE POLICY TOWN HALL UPDATE

After the town hall, student feedback is being consolidated to deliver to the Student Affairs office.

COUG CROWDFUNDING

WSU is implementing a system for crowdfunding that can be used as a tool for fundraising for certain events. Students from the student council will be undergoing training at a later date and will share information at that time.

#COUGSGIVE

The online giving event #cougsgive will be happening later in the spring. A representative of the campaign will be invited to a future student council meeting.

MERCHANDISING

An online store is being developed to provide ESFCOM apparel. This shop would include pop-up shops as well as a longer-term online store.

BOARD PREP MATERIALS

There is some student feedback that the external test-prep resources that we have access to are very useful, and students are interested in expanding access to other resources such as UWorld. A meeting will be scheduled with Erika Fleck and other faculty with the student council in the coming month.
