WASHINGTON STATE UNIVERSITY

MAYA SABATELLO, LLB, PHD

Dept. of Psychiatry
Columbia University

Dr. Sabatello is a lawyer with a PhD in political science who specializes in medical ethics, disability studies, international law and comparative human rights. As a Permanent Representative for an NGO at the United Nations, she participated in drafting the Convention on the Rights of Persons with Disabilities. She is chair of the AAAS Ethics and Human Rights Working Group, and co-Chair, ASIL International Disability Rights Interest Group.

STEPHEN SODEKE, PHD

National Center for Bioethics
Tuskegee University

Dr. Sodeke's research interests include cross-cultural bioethics, community bioethics and issues related to community-based participatory research, health and human rights, health outcomes and health disparities, and in research with vulnerable populations in the United States and the developing world. He is a resource expert for The NGO Bioethics Beyond Borders.
