

CAHNRS College-Level Safety Committee Notes

October 13, 2022

Attendees: Richard Partain, Mike Costa, Brent McGann, Jessica Pestana-Weist, Kat Odell, Dixie Kearney, Teresa VanderPol, Kiwamu Tanaka, Jim Kropf, Jerry Moreland, David Gang, Jonathan Lomber, Todd Murray, Michael Chapman

1. Governor's Industrial Safety and Health Conference training:

- The committee watched and discussed the pre-recorded training called "Engineered Solutions for Highly Variable Work Environments," presented by Brian Hughes, Sr. Vice President, Co-founder, Sologic LLC. Brian has led significant root-cause incident investigations, including injuries, explosions, loss of primary containment, consumer product contamination, supply chain process problems, etc., and continues to research root causality.

2. Adjourn

TOPICS FOR NEXT MEETING'S AGENDA
