Subject: CCB Remote Readiness Survey
Date: Friday, March 20, 2020 7:32:10 AM
Importance: High

Hello,

In response to the increased need for employees telework, we are asking all faculty, staff, and PhD's to please complete this quick 8 question survey. Please complete the survey using the link below. The purpose of the survey is to assess the college's ability to provide the technical support needed to maintain operations through telework. Even if you are set up and ready to telework and teach your classes through distance education methods, please fill out this quick survey.
