Supervisor Email:

Date(s) of Participation: _____ **to** _____

Total Hours of Participation:

What did you learn about your career interest/goals that you did not realize before? For example, did this experience change your mind about your career interests or did it reinforce it?

What transferable skills did you gain from this experience and how will this help set yourself apart from other job applicants? Think through how this can be articulated via resumes and interviews.

Attach a current resume highlighting what you have added form this experience.
