## Smart Start

Smart Start is a retention initiative under the guidance and support of the MSS. They work to deliver support to first-year students through classroom instruction, one-to-one personal counseling, and academic advising. Students, who stay active in the Smart Start program for one full academic year, are eligible for partial scholarship, special activities, and priority registration for classes.

Waiver forms to request exemptions from the First Year Live In Rule can be found on Housing's website. Waivers are reviewed at the Residence Life department within 14 days of submission. Waivers are reviewed and exemptions are granted for qualifying requests. Do not sign a lease until you have received written notification of approval. A signed lease does not preclude you from the Freshmen Live-in Rule.

# Student Legal Services

ASWSU's Student Legal Services is a student run office created to service the legal needs for current students at WSU. 30 minute consultations with our attorney, Wynn Mosman, are available to students with a valid student ID card free of charge. In addition to providing legal consultations, SLS also functions as a pre-law resource center for undergraduate students who are considering law school.
