Research Admin Community (RAC) Meeting Minutes

March 21, 2019

Office of Research Advancement and Partnerships:
Becky James

- Update on the planning of ORAP’s Research Week
  - If anyone has any questions regarding Research Week please contact ORAP or Emily Brashear, Becky James or Maureen Bonnefin

Modernization:
Christine Galbreath

- During the data transfer from WSU’s legacy financial system to Workday an issue was encountered with automatic carry forward. In order to fix this issue Modernization will be updating accounts in the following way:
  - End dates will be changed to match the funding increments for accounts that don’t allow automatic carry forward

SPS - Sponsored Programs Services:
Casey St.Clair

- In preparation for the move to Workday account closings are taking a higher priority than before. Because of this more resources are being used on account closings which means you may see an increase in wait times for other actions, including:
  - Account setups, SPARS and RCARs

Heather Beckner

- JIRA subcontract invoice processing presentation
  - A copy of the presentation can be obtained upon request by Sponsored Programs Services

Employee Turnover and Salary Discussion moderated by Erin Rice

The next RAC meeting will be June 6, 2019, 10AM-11AM in Lighty 405.
