From the Eiffel Tower to the Space Needle

The politics of carbon tax

Tuesday, February 19 | 4:30 p.m.

Foley Speaker's Room | 308 Bryan Hall

Most experts agree that the best way to combat climate change is through carbon pricing. However the public seems unwilling to support carbon taxes. Is there a way forward?

Aseem Prakash, professor and founding director of the University of Washington Center for Environmental Politics, discusses the carbon tax, public opinion and what needs to be done going forward.
