Brandt Fisher is graduating this spring with a Bachelor of Music in Saxophone Performance with an Emphasis in Jazz. This senior recital represents the culmination of his studies with saxophone professor Horace Alexander Young and the other wonderful faculty of the WSU School of Music. After graduation, Brandt is moving back to the Seattle area and will be preparing to apply for graduate programs in Music Performance and Music Education. In the meantime, he plans to keep playing, composing, and educating young musicians in the greater Seattle area.

A message from Brandt:

Over the course of the last three semesters, I have experienced the despair of lost opportunities as well as the joy of seeing new opportunities come into fruition. I believe that my colleagues and I have made a valiant effort to make the most out of this time together, and I'll be forever proud of what we have accomplished. I would like to extend my thanks the following people and organizations for their help on this journey:

- To my parents Steve and Zoe, sister Elle, and grandparents for their love and support
- To my musical mentors Horace Alexander Young and Greg Yasinitzky
- To my great friends Adam, Logan, Kaye, Gabby and others
- To Shaun Sorenson and the WSU School of Music for helping make this event happen
- To the Jazz Wires: Noah, Gabby, Raul, Joe, and Anthony for inspiring me
- To Josh, Joe, and Anthony for the wonderful accompaniment for this recital

This performance is in partial fulfillment of the degree of Bachelor of Music in Saxophone Performance with an Emphasis in Jazz Studies.

This concert was presented live in accordance with restrictions related to the containment of COVID-19.
