Wynter's Acknowledgements

Thank you to all my teachers and professors, who have guided and pushed me academically.

Thank you to my wonderful partner and many friends, who shower me in unconditional love and support.

Thank you to my brother, who taught me how to be a friend, to my mother, who taught me how to be a person, and to my father, who taught me how to be a musician.

Halley's Acknowledgements

Thank you for being here tonight, and thank you to my friends and those around me for their never-ending support.

To Jon and Cassie, I would like to thank you both for welcoming me into your family with open arms and being the most supportive found family I could ever have. I would not be anywhere that I am now without the never-ending support from you two.

A massive thanks to Dr. Turnbull who has been extremely patient, insightful, and caring the last three years that he has spent teaching me. I hope to carry on your knowledge onto my own future students. Thank you to Elena and the quintet for giving us your time and effort to be here tonight.

Finally, to my Jordan, for being the most supportive, patient, loving, and kind partner I could have ever asked for. Your unconditional love and support has driven me to be a better person and musician, and for that I thank you. I love you.
