Div. 8 Openings. Restroom doors should include electric openers for handicap access.

Div 8 Opening: All doors to receive a card reader, both interior and exterior, shall be prepped and ready for Assa Abloy electronic access.

Div. 10 Specialties; 10 44 00 Fire Extinguishers & Cabinets. The cabinets do not need to be red, do not need to be flush, do not need to be locking, and do not have to be Amerex (we’ve got a mix here of Amerex, Ansul Sentry, and Tyco).

Div 33 Storm Drainage. There is no municipal storm drain system to utilize, all drainage must occur on site. Use swales and landscaping as much as possible (rain volumes are low – 25 year storm is about 1.6”/24 hours, and surface infiltration is rapid).
