Washington State University

Advance Notice
for
Design-Build Services
Spokane Phase One Building Renovation
Spokane, WA

June 2, 2021

Washington State University, Facilities Services, is anticipating issuing a Request for Qualifications (RFQ) in July 2021, dependent upon State of Washington Funding, for the purposes of identifying Design-Build Teams for the Spokane Phase One Building Renovation project (Eastern Washington University Center (EWUC) Building No. 9012) in Spokane, WA. The preliminary project scope is to renovate the building to further develop instructional and office spaces that will provide cutting edge learning opportunities for students. Work within the building will include electrical and mechanical upgrades in addition to general building improvements. The estimated total budget for design and construction is anticipated to be between $10 – 11.5M.

Complete information regarding this solicitation may be found, once the RFQ is advertised, at the following web site address: https://facilities.wsu.edu/alt-pub-works/. No further project information is available at this time.
