RFQ Addendum No. 1
August 20, 2021

Pullman Life & Physical Sciences Building
Pre-Design/Programming Services
Washington State University
Pullman, WA

Proposal Deadline: August 25, 2021, 3:00PM PST

1. This Addendum forms a part of the Contract Documents and modifies the original Request for Proposal dated July 23, 2021, and any prior addenda, as noted below.

2. This addendum consists of 2 total pages.

Item 1:

The following proposer questions warranted communication to all potential proposers:

1. Can we add external links to the qualifications?

WSU Response: Links to pages specifically made for this qualification statement is not allowed however, links to a pre-existing page to reference for additional information would be acceptable as long as they are not intended to respond to specific qualifications responses.

2. Does this RFQ include the Basis of Design Scope to be completed in June 2023 (scope items 13-14)?

WSU Response: Yes, the scope will include the basis of design scope for the Physical and Life Sciences Building, which will be used in the selection of a Design-Builder in the 2023-2025 biennium.

3. Is there a total budget for the Basis of Design scope?

WSU Response: The total budget for the pre-design is $500K, the basis of design scope along with the pre-design, site survey, geotechnical explorations, etc. will be included in this amount.

All other requirements of the Request for Qualifications remain in force.
