

CAHNRS Diversity, Equity, and Inclusive Excellence Mini Grants 2022-2023

The CAHNRS Diversity, Equity, and Inclusion Committee seeks proposals for its inaugural DEI Mini Grants for activities that address Theme 4 Institutional Diversity, Integrity, Openness, and Accountability of the CAHNRS strategic plan, which is to create and sustain a college community that is diverse, inclusive, and equitable; and to uphold a culture of integrity, excellence, stewardship, and accountability in pursuit of CAHNRS's goals and economic viability. CAHNRS DEI Committee is now accepting grant proposals that in some manner address this goal theme. Two awards of \$2,500 each will be granted to those proposals that meet the following criteria:

- 1) Application of the CAHNRS strategic theme to promote DEI at all levels of the college;
- 2) Document positive impact of the proposed activity in CAHNRS and the WSU community;
- 3) Involve engagement with the wider community.

Proposals must include:

- A one-page (12-point font, 1-inch border on all sides) detailed description of the plan and how it will contribute to DEI
- Budget
- Timeline of activities
- Expected outcomes

Proposals focusing on long term impacts to CAHNRS, or WSU learning community will be given preference. The budget must include all expenses including, but not limited to, speaker fees, travel expenses, student (support) assistants, purchase of materials and advertising. Proposals lacking a detailed budget will not be considered.

Grantees must submit a one-page report on the grant outcomes to Lisa Johnson by June 30, 2023.

Grant proposals are open to faculty, students, and staff in CAHNRS.

Proposals will be accepted through **Friday, February 4, 2022**, and should be submitted to Lisa Johnson at lisa.m.johnson@wsu.edu.
