

1. Find the Transfer Course Information link at the bottom of Zzsis sign in page.
2. Select the first link in red.

3. Select the school you will be attending outside of WSU, and when you will be transferring those courses in.

4. When looking at subject titles, make sure to match the title from the other institute and the title on the drop down list. For example: Math with “&” sign is different from Math without “&”.
