

New Student Checklist

For all incoming students in Crop & Soil Sciences, Entomology, Food Science, Horticulture, and Plant Pathology

Your department's graduate academic coordinators are in the Johnson Hall Graduate Center: Deb Marsh, Lisa Lujan, Jill Staab. We are also your interface the WSU Graduate School – please see us first with your questions. Our role is to support your post-admission coordination and support, enrollment and time schedule support, and faculty graduate program support.

Prior to your arrival

Network ID (and OKTA)

Your Network ID allows you to login to [myWSU \(https://portal.wsu.edu/\)](https://portal.wsu.edu/), your WSU email and other WSU resources such as Canvas and Workday. Applicants are sent an email which includes an invitation to create a Network ID and includes a temporary access code for setting up your network ID and OKTA account (multi-factor authentication). Typically, this email is sent within a day or two of completing the application. If you aren't able to locate the email or if you are having difficulties, email gradschool@wsu.edu.

Visit <https://login.wsu.edu/login/login.htm?fromURI=%2Fenduser%2Fsettings> to create your Network ID.

Review Your Admission Certificate

Review your Admission Certificate issued by the Graduate School for contingencies, such as transcripts, or degree certificates. A hold will be placed on your record preventing second term enrollment until the contingencies are met. **We recommend you make arrangements prior to your arrival at WSU, to ensure WSU has the required OFFICIAL (direct from registrar) transcripts AND/OR degree certificates.** When sending official transcripts from schools located in non-English-speaking countries, each institution must submit both the English translation plus an original language record. For these documents to be official they need to be in a stamped and sealed envelope.

ALSO, pay attention to your residency classification as listed on your Admission Certificate, which directly affects the tuition charges to your WSU account. US citizens and permanent residents who are classified as non-resident will want to pay close attention into the Residency Application details outlined later in this checklist. It is imperative that you review the requirements for a residency application now and make sure you take care of these items within the first 30 days of your arrival. Many of the items have to have been in place for 12 months at the time of application. The non-resident tuition waivers mentioned in assistantship offer letters are only valid for your first two academic semesters only. Self-funded students will also benefit by knowing the requirements for a residency application. F1 and J1 students are not eligible for WA state residency.

Accept your Admission in myWSU

Once you have received the admission certificate from the Graduate School, you will be able to accept the Graduate School's admission offer. Please log onto [myWSU](#) and navigate to the Student Center. The navigation is Main Menu>Self-Service>Student Center. Simply click next to the green check to accept the offer of admission. If you haven't received an admission certificate yet and you don't see the green check, you may need to give the Graduate School just a little more time to process your admission. After you have accepted the admission in [myWSU](#), it will take about 24 hours to update at which time a registration appointment time will be reserved for you.

WSU Email Account

Once you have been fully admitted your WSU Email account will be activated. WSU policy states a student's WSU email address is the official address for all academic and business-related activities. **Please make sure you are checking daily and responding to emails sent to you at your official WSU email address.** Your name will also be added to your department's graduate student list serve upon admission – generally using your WSU email address.

Clear Immunization Hold

All new students entering WSU must present documentation of immunity to measles (rubeola) to Cougar Health Services prior to registration. Please visit <https://cougarhealth.wsu.edu/medical-clinic/downloadable-forms/> to print the form with instructions. **You will not be able to register until the Immunization hold is released.**

COVID-19 Vaccine Requirements for Fall 2021

Please review the [April 28, 2021 announcement regarding COVID-19 vaccine requirements.](#)

Information about how to submit proof of vaccination as well as the process to request an exemption will be communicated to students, faculty, and staff prior to the start of the fall 2021 semester.

please check back periodically for updates

Register for Classes at Your Earliest Opportunity

Once you have completed your Network ID and your Immunization hold has been released, you should be able to register. Registration must be completed using [myWSU](#). The Schedule of Classes listed by semester is available both on the web (<http://www.schedules.wsu.edu/>) and also in [myWSU](#).

Important! Register at your earliest opportunity. New students may begin registering as early as May 1 (Fall Term) or Dec 1 (Spring term). Graduate assistantship appointments, scholarships, and financial aid cannot be fully processed until you are registered for the required number of credits. Registering early also provides the respective departments an early indication of expected enrollment before low-enrollment decisions are made. In addition, you must register before the first day of class to avoid a Late Registration fee of \$25.00.

Review your graduate student program handbook to for program requirements.

Graduate Student Handbooks: [Crop & Soil Sciences](#), [Horticulture](#), [Plant Pathology](#), [Entomology](#), [Food Science](#)

After reviewing the handbook, please consult with your advisor in determining which courses you should enroll. **Graduate students must enroll in at least 1 credit of research (700 or 800) each term in which they are enrolled full-time.** Students on assistantship must maintain full-time enrollment (10-credit minimum, 10-12 credits is the average enrollment). **Enroll at your earliest opportunity** as some classes fill quickly, and to help administrators know of the enrollment demand to help ensure course(s) are not cancelled due to low enrollment.

TIP: Since graduate assistantships require full-time enrollment for processing the appointment, please enroll in 10 credits of research (700 or 800) and then you can edit your enrollment further after discussing with your advisor. All adjustments to your enrollment should be completed as soon as possible to ensure courses are offered, but no later than the 10th day of class.

Please also review the university's Academic Calendar (<http://registrar.wsu.edu/academic-calendar/>) for important dates and deadlines in each semester. Graduate students can freely make adjustments to their schedule through the 5th day of class each term. From then, until the 30th day of class, you must work with an Academic Coordinator to make adjustments to your schedule. Enrollment adjustments after the 30th day of the semester require a graduate petition.

Complete CITI Responsible Conduct of Research/Conflict of Interest Training

The University requires mandatory training in 1) Responsible Conduct of Research AND 2) Conflict of Interest for all graduate students. This is a web-based training. Learn more about how to register, enroll, and complete the training here: <https://orso.wsu.edu/citi-training-resources/>

Please complete the training module as soon as possible – you can even do this before you arrive. You must sign in with your network ID and password; do not sign in as a guest user.

Orientation Sessions

- 1) *Graduate School Orientation:* **All graduate students—regardless of location, both domestic and international, are expected to complete the Graduate School's online graduate student orientation module** at the earliest opportunity; this will be available in Blackboard [Blackboard Learn \(wsu.edu\)](#) (summer) and [Canvas \(canvas.wsu.edu\)](#) (fall) approximately 2 months prior to the start of the term. Topics include an introduction to life as a WSU Cougar, tips for new graduate students, health insurance and services, details of assistantships and associated tuition waivers, and fun things to do on the WSU campuses. The course is organized into five modules, and students are expected to complete modules 1-4 before arriving on campus. This orientation material will remain available to you for your first semester at WSU, to refer back to as needed.

[View the 2020 Meet and Greet Orientation \(https://youtu.be/dWnuUyK8QN8\)](https://youtu.be/dWnuUyK8QN8) – and we anticipate a 2021 Meet and Greet will be announced in the near future.

- 2) *International Student Orientation:* **The WSU International Programs office holds an additional required orientation for international students and students are automatically registered.** All international students will be charged a nonrefundable \$50 international student orientation fee charged to your WSU account which may not be waived. Learn more information about international student orientation here: (see #1) <https://ip.wsu.edu/on-campus/new-graduate-students/>
- 3) *Department Orientation:* **Department orientations will be announced;** your attendance is required and will be available via videoconference for students located at the Research and Extension centers.

VISA Compliance for International Students

Be sure to familiarize yourself on how to maintain your F-1 or J-1 status. It is each student's responsibility to be sure they are in compliance with these regulations. If you have questions, you may contact the advisors at the WSU International Programs office.

- F1: <https://ip.wsu.edu/on-campus/f-1-students/overview/>
- J1: <https://ip.wsu.edu/on-campus/j-1-students-overview/>

Housing

When you are admitted, your name is forwarded to WSU Housing Services (<http://housing.wsu.edu/>), and you should receive an email directly from Housing. For off-campus housing please see:

<http://offcampusliving.wsu.edu/> Note: You must reside in the state of Washington to be eligible for tuition waivers. For questions, contact WSU Housing Services (<http://housing.wsu.edu/contact-us/>). Housing arrangements are the responsibility of the student.

Money

You should plan to bring enough money with you to cover your initial expenses (<http://finaid.wsu.edu/cost-of-attendance/>). You should take into consideration extra money you might need for rental deposits, purchasing household items, food, etc.

Students on assistantship should note it can take up to 6 weeks to receive your first pay check. You should receive your first check on September 10 for students starting in the Fall term and January 25 for students starting in the Spring term.

International Student Arrival

Learn more about options for traveling to the Pullman (or Tri-Cities) campus (<https://ip.wsu.edu/future-students/travel/>), including limited options for airport pickup.

 **Email Deb Marsh marshdj@wsu.edu with the date and time you plan to arrive at WSU.**

Complete Photo-Bio Release Form

IMPORTANT: Provide your student profile for the department website using the Photo-Bio Release Form (<https://cahnrs.wsu.edu/academics/johnson-hall-graduate-center/>) listed under “New/Current Student Documents”. This should be done prior to your arrival.

Once you arrive

Complete International Student Arrival Requirements

Once you arrive on campus, upload your immigration documents to myPassport. You should upload these documents within 7 days of your arrival at WSU (see #2): <https://ip.wsu.edu/on-campus/new-graduate-students/>.

Complete Employment Onboarding Requirements Upon Arrival.

Employment onboarding will be done via Workday. **You will not be able to access Workday until your appointment is approved in Workday.** Then, you will receive a task list in your Workday inbox here: <https://wd5.myworkday.com/wsu/d/home.html#path=>

For your preview, the onboarding process is further described here in this Knowledge Base document: <https://jira.esg.wsu.edu/servicedesk/customer/kb/view/156964422>

The first part of onboarding is the time-sensitive I-9 Employment Eligibility Verification:

U.S. Citizenship and Immigration Services (USCIS) requires all new employees, including U.S. citizens, to complete Section 1 of Form I-9 no later than their **first day of employment** and to present an original document or documents that establish identity and employment authorization (Section 2) **within three business days of the hire date**. It is allowable to complete Section 1 or both Section 1 and Section 2 prior to first day of hire. USCIS requires in-person review of original employment eligibility documents.

However, since the I-9 is time sensitive, please do not wait for Workday to do this. Instead, immediately upon your arrival, please make arrangements with the local WSU business office to complete the I-9 using their secondary system (Parts 1 and 2) PRIOR to your start date for lawful employment:

- .Johnson Hall Business Center on the WSU campus (Rm 201): personnel.bc@wsu.edu
- Local R&E business office
- Tri-Cities campus payroll office

Part 2 requires you to bring the required accepted documents/credentials with you for this process (must be originals): <http://business-center.cw.wsu.edu/wp-content/uploads/sites/37/2018/06/hrs-i-9-acceptable-documents-list.pdf>

Note—you can choose one item from List A. If you don't have that, you will need to present two items—one from List B and another from List C. Again – this has to be ORIGINAL documentation. Copies are not acceptable.

The remaining onboarding tasks include various payment elections, including W4 (taxes) and direct deposit.

Social Security Card Application for International Students

International graduate students who will hold assistantship need to obtain a social security card for employment purposes. Steps are provided below.

In pre-COVID times, the WSU International Programs office would arrange a Social Security application session at Pullman each mid-August (students would not need to travel to Lewiston to apply). Please watch for announcements.

1. New International Graduate students must quarantine for 14 days upon arrival following Washington State Guidelines on international travel (January, 2021).

2. The Department must complete the attached form and email it to ip.intlservices@wsu.edu for signing.
Note: This will be arranged by your Academic Coordinator, Deb Marsh.
3. The student must complete the New Student Check-In at myPassport.wsu.edu so WSU IP can register their immigration record.
4. The applicable federal/CDC guidelines for fully vaccinated people coming into the US, or unvaccinated people coming into the US must be met before visiting the Social Security Administration office in person: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel-during-covid19.html>
5. Once the student has satisfied the CDC requirements above, they may call and schedule an appointment with their nearby Social Security administration office.
For Pullman students: Contact the Lewiston Social Security administration 1- (877) 405-9796 – please note this is a 45-60 minute drive. Please consult your advisor to arrange someone drive you to this location.
 - a. The federal CDC guidelines noted above are mandated by the SSA office before student can have an in-person appointment.
 - b. The office is otherwise closed, and students will be assigned an appointment time. Typically, on a Tuesday or Thursday afternoon. They will wait in the car/transportation for SSA security to let them in for processing their application.
 - c. As appointments are limited if a student is unable to make the appointment have them contact the Lewiston office to inform them and to reschedule.
6. Students need to bring the following (**do not go there unless you have all of these documents, or you will be refused**):
 - a. A valid SEVIS I-20
 - b. A valid passport
 - c. I-94 number (print from this website: <https://i94.cbp.dhs.gov/i94/request.html>)
 - d. F-1 visa stamp (or change of status approval)
 - e. Photocopies of all above immigration documents
 - f. A completed Social Security Card application form: <https://www.ssa.gov/forms/ss-5.pdf>
 - g. A letter issued by student's on-campus employer, signed, and stamped by IP-International Student and Scholar Services.

Once you have submitted your application for the SSN, you will be given a receipt. You will need to show this receipt to your local Business office at your earliest opportunity. Then, once you receive your actual SSN card, you will also need to present that card to your local Business office too. *Keep these cards and numbers secure – please do not email them.*

Tuition Waivers and Establishing Washington State Residency

For those domestic non-residents on assistantship, your assistantship appointment will exempt you from paying in-state tuition **if you live in Washington State** during your enrollment at WSU. You will be provided an out-of-state tuition waiver during your first year of studies if you are not a resident of Washington State; however, the out-of-state tuition waiver cannot be guaranteed beyond one year. **Students who have not established Washington State residency by the one-year limit will be required to pay out-of-state tuition, even if they have an assistantship.**

Self-funded domestic students may also be interested in pursuing residency in order to qualify for in-state tuition.

International students (F1 and J1) are not eligible for Washington State residency and will receive both resident and non-resident tuition waivers while on assistantship if you live in Washington State during your enrollment at WSU.

BEGIN THE RESIDENCY PROCESS NOW: Most of the required documentation will need to be arranged a year in advance of your residency application!

1. **Review the details and process for establishing Washington residency here:** <https://gradschool.wsu.edu/establishing-residency/>
2. The Graduate School also has a video on the subject: <https://www.youtube.com/watch?v=xgkRuolhd20>
3. **WITHIN THE FIRST 30 DAYS OF ARRIVAL** (this must be done a year in advance of your residency application)
 - a. **Register your vehicle, if you own or use a vehicle in the state of Washington.** The law requires you to register your vehicle within 30 days of moving to Washington. The Pullman Vehicle Vessel Licensing is located at 1195 SE. Bishop Blvd Suite #3 Pullman, WA. (509) 334-3648. Off campus students can do this locally.
 - b. **Get a Washington State Driver's license OR WA State ID card.** The DMV is located at 980 S. Grand Ave Pullman, WA. (509-334-2510). You can register to vote here too. Off campus students can do this locally.
 - c. **If you vote, register to vote in WA state.**
 - d. Update your bank account and/or other documents to help show you have established a 'home' in WA state.

Also, be certain you are living in the state of Washington. At the time of residency application, **you will be required to provide signed lease/rental agreement, and/or home purchase agreement, for the entire 12 month period preceding your application.**

WICHE Waiver - Food Science only: The Western Interstate Commission for Higher Education (**WICHE**) promotes the sharing of higher education resources among the western states (<http://wrgp.wiche.edu/>). One of the WICHE programs established for this purpose is the Western Regional Graduate Program (WRGP). Reduced costs to many graduate programs are available to students through WRGP. In most cases, WRGP students pay tuition at resident student rates (TBD as of May 2021). You must be a domestic resident of one of the following states: AK, AZ, CA, CO, CMNI, GUAM, HI, ID, MT, NV, NM, ND, OR, SD, UT, WA, and WY. An application will be required prior to the 10th day of class. Contact Deb Marsh for details.

Payroll Deduction for Graduate Assistants

Payroll deduction (<http://payroll.wsu.edu/stntpay/gradpayded.htm>) for residual tuition and mandatory fees is available in the Fall and Spring terms. Your action is required to sign up each semester. Payroll deduction can be set up online via [Workday](#) each term no later than the published deadline (by the 10th day of class). A Workday reference guide is available here: <https://jira.esg.wsu.edu/servicedesk/customer/kb/view/156964797>

Complete Discrimination and Sexual Harassment Prevention Training

This annual web-based training is required for all Washington State University employees. Students are required to complete the Discrimination and Sexual Harassment Prevention training within 30 days of their appointment start date. Learn more here: <https://hrs.wsu.edu/training/discrimination-sexual-harassment-prevention/>. Failure to fully complete this training may result in future ineligibility of any financial support or benefit of your appointment. Students may review their completion of training by logging into WSU Online Training account: <https://hrs.wsu.edu/learning-transcript/>, selecting 'Learning Transcript'.

Note: Employees will not be able to access the training until after your employment appointment is posted in our system; please allow 2 weeks from your start date and check back periodically.

Building Access and Office Space

Building access, including keys and office space assignments are managed at the Department administrative office or R&E business office. Please contact them directly.

Canvas

Canvas will be WSU's sole Learning Management System (LMS) beginning Fall 2021 (replacing Blackboard Learn). Beginning on August 21, 2021 Blackboard will no longer be used for course spaces at WSU. Learn.wsu.edu will also be re-routed to canvas.wsu.edu. Students will access Canvas via canvas.wsu.edu. The [Canvas Student Guide](#) can be referenced for helpful information on how to navigate within Canvas.

Resources

- Students can access Canvas now via the [Canvas Demo Course](#)
- Instructions for navigating a WSU course space are displayed in the [Navigating Your Course video for students](#)

Crimson Service Desk is available for assistance via [email](#), by phone at (509) 335-4357, and [online](#). You can also follow @itswsu on [Twitter](#), [Instagram](#), and [Facebook](#) for timely service updates.

Crimson Service Desk (for all your IT questions)

Please contact the Crimson Service Desk with your IT questions:
<https://its.wsu.edu/csd/>

Office 365 and One-Drive

This subscription to software is active as long as you are an Enrolled Student or Active Employee. For Students, the subscription starts the first day of the first semester they are enrolled in class. Review the Office 365 Self-Help Here: <https://confluence.esg.wsu.edu/display/KB/Self+Help+-+Office365>

One Drive FAQ's: <https://confluence.esg.wsu.edu/display/KB/OneDrive+-+FAQs>

OneDrive space will be decommissioned and removed when you leave the University (i.e. graduation, disenrollment, leaving WSU, retirement). You will need to move your files to another storage system at that time.

Update and Maintain your Address in myWSU

Update your local address in [myWSU](#). Lastly, if you move, change phone numbers or e-mail addresses, please make those updates in [myWSU](#).

Navigating your Degree (Forms, Deadlines, Timelines, Department Handbook)

An overview of navigating your degree is available here: <https://gradschool.wsu.edu/students/>. Please pay particular attention to the Deadlines and Procedures documents and semester by semester timelines. Also note that your program's Graduate Student Handbook (linked below) may have additional requirements and tighter deadlines. It is also imperative that you also pay attention to the Friday Focus newsletter published weekly by the Graduate School, as well as email messages from your Academic Coordinator in the Johnson Hall Graduate Center.

You are responsible for knowing the information in the handbook. Please bookmark and use it often to answer questions you may have. The department handbook is available on each department's website.

Graduate Student Health Plan Guide and Tips

See the guide posted here <http://cahnrs.wsu.edu/academics/johnson-hall-graduate-center/> to find answers to your question regarding the WSU Graduate Student Health Insurance plan.

Leave and Vacations

During the term of graduate assistantship appointments, all graduate student service appointees are expected to be at work each normal workday, including periods when the University is not in session with the exception of the legal holidays designated by the Board of Regents.

All University holidays are designated by the Board of Regents and are published in the WSU Policies and Procedures manual (http://public.wsu.edu/~forms/HTML/BPPM/60_Personnel/60.76_WSU_Holidays.htm).

Graduate students on appointment do not earn annual leave or sick leave. You must notify your advisor if you are unable to be at school.
