

Lesson Planning Tool

Clear Targets in “student friendly” language

What is it I want all students to know, understand, and be able to do as a result of this lesson?

SKILLS AND KNOWLEDGE

Where in the lesson will **all students** actively, read, write and/or communicate?

Where in the lesson will **all students** demonstrate depth of conceptual understanding?

How will I know **all students** have demonstrated depth of conceptual understanding?

THINKING

How will I structure the lesson so **all students** are engaged in activities that require higher level thinking skills, reflection and metacognition?

How will I know **all students** are thinking and reflecting at high levels?

APPLICATION

Where in this lesson will **all students** extend their learning into real life context?

How will I know **all students** have extended their learning into real life context?

RELATIONSHIPS

How will I structure the learning environment to create a safe, supportive and challenging learning experience for **all students**?

How will I know **all students** feel safe, supported and challenged?
