

# Washington 4-H International Exchange 2020 Summer Delegates Hosting July 24 - August 19, 2020

Boys' Names	Program	Age during Exchange	Interests, Personality, Notes
Yuya	LABO	13	Yuya likes to play table tennis and Japanese archery. He says he's shy, but considerate of others. He thinks he would like to have a barbecue and go camping with his host family. Yuya is good at arts and crafts and enjoys seeing ships and interesting places.
Sota	LABO	13	Sota describes himself as curious and serious. He plays lots of different board games with his family, he's very good at Shogi and makes amazing origami creatures. He'd love to share these interests with his host family. Sota also enjoys camping, hiking, and swimming. He's very allergic to dog and cat hair so needs to be placed in a home without indoor animals.
Haruto	LABO	12	Haruto is a baseball player at home in Japan and he enjoys soccer and running too. He describes himself as shy and considerate of others. He's planning to have fun this summer with his host family, and looks forward to being part of his host family.
Wataru	LABO	12	Wataru is very active, regularly playing tennis with his family. He also plays board games, table tennis, kendama, and yo-yo. He enjoys camping, boating, and being outdoors. He says he'd especially like to share his kendama and yo-yo skills with his host family this summer.
Tsuyoshi	LEX	11 1/2	Tsuyoshi enjoys playing soccer, running and swimming. He likes the outdoors and enjoys hiking and camping. He describes himself as curious, energetic, cheerful, laughs a lot, and loyal. He has three siblings and wants to become part of his host family.
Yasuki	LEX	13	Yasuki plays all kinds of sports, but especially enjoys baseball. He describes himself as curious, patient and loyal. One of 4 siblings, he says he enjoys sports, cooking and fishing. He'd like to fix miso soup for his host family, learn about American cuisine, and watch a baseball game.
Kohei	LEX	13	Kohei enjoys origami, painting, drawing, animals, and he likes to go to museums. His favorite subjects in school are arts and crafts and Japanese history. He likes to swim, and is a fan of dinosaurs and pokemon. He's looking forward to eating some yummy food and playing with his host family this summer.
