Dear Exhibitor:

As you are aware, the Junior Livestock Show of Spokane has been forced to cancel the 85th annual Show and Sale due to the Spokane County Fair & Expo Center being used as a COVID-19 testing and quarantine site. They have cancelled all events scheduled for the month of May at their facility.

However, the Board of Directors of the Junior Livestock Show of Spokane is pleased to offer the 2020 2020 Virtual Junior Livestock Show opportunity:

1. A Virtual show will be set up online for all market, prospect, and female classes previously entered. No fitting and showing classes. There soon will be a link posted on our website, www.juniorshow.org and the Facebook page with instructions on how to enter. Entries will be accepted April 27 – May 5. The Virtual show will take place May 7. Results will be posted soon after.
   You will enter and then upload a 90 second video. Instructions and sample videos will be provided. Your previously paid entry fees will cover the costs. No additional costs will be incurred.
   The judges that were scheduled to come to our Show will judge all classes and premiums will be paid. No ribbons, banners, or trophies will be awarded.

2. If you DO NOT wish to participate in the Virtual show, you can still upload a picture of you and your animal and send to www.jrshowkids@gmail.com. The exhibitor’s name and species MUST be on the subject line of the email. A lesser premium amount will be paid if you choose this option and no entry fees will be refunded.

3. If you choose to do nothing, your entry fees will be returned or you can contact me if you wish to donate them to Jr. Show. If there has been support sent to the office in your name this money will be sent on to you. All demonstration and chute fees will be returned as well.

The Junior Livestock of Spokane is a 501 c 3 non-profit, so if you know of individuals or businesses who wish add support dollars, please have payments reach the Jr. Show office no later than May 30th.

If your project animal is not pre-sold, and you would like some suggestions or help, please contact the Jr. Show office by April 17th by mail or email with the attached form, so I can get numbers to Stockland Livestock Auction. They have offered to advertise and add these project animals to one of their regular sales, date to be determined when they know numbers.

The Carcass Hog Contest is contingent upon the availability of the U of I Meats Lab. The Carcass Hog Contest Superintendent will be in contact with those entered when more information is available.

Ambassador applications are reopened and will be accepted until April 25th. Forms are available on the website.

Please plan on attending the 85th annual Show and Sale that will be back in full swing in May 2021.

Sincerely,

Lynn Cotter,
Show Manager

PLEASE Complete and return by MAIL or EMAIL so I have record of your information if:

1. Your animal is not presold
2. You would like your entry fee refunded
