The Washington State 4-H Fair is Cancelled

At 4:00 p.m. today (Wednesday, July 8), the Washington State Fair announced the cancellation of the 2020 fair.

The Washington State Fair announcement can be viewed here:

https://news.thefair.com/public/viewmessage/html/41324/1ejxdnkryvgamauazdc727q04x8tq0/83756447204c2faf424331222bd9831b

This cancellation will result in the cancellation of the face-to-face Washington State 4-H Fair for 2020 as well. The WA State 4-H Fair Board has been meeting and will continue meeting over the next two weeks to determine what fair activities and exhibits can be conducted virtually. Several factors will be considered before making a final decision. The results of our deliberations will then go out to our 4-H family no later than July 25.

Best Regards,
Tom Gwin
State 4-H Fair Manager

Statewide 4-H Equine Meeting Scheduled for July 23!!

Mark your calendars for the first ever Statewide 4-H Equine Zoom, scheduled for Thursday, July 23rd at 6:30 p.m. This will be a facilitated conversation around the following topic areas; I would like to have one representative from each county respond to the following topics/questions:

1. What is your county doing with virtual showcase in your 4-H horse program? Please share successes and challenges.
2. What is your county doing related to virtual education as related to your horse program?
3. Other questions/comments.

The zoom link is provided in the flyer below.

For questions, contact Jennifer Leach, State 4-H Equine Specialist, by email, either jleach@wsu.edu or LeachJ@co.cowlitz.wa.us.
Virtual 4-H State Hippology Contest Scheduled for August 4th

Practice Contest: July 27-28-29, 2020
Register: campus.extension.org/enrol/index.php?id=1855
You will create a free extension account and pay $5 to use the practice contest.

The WA State Hippology Contest will be virtual and will use this format. State contestants are encouraged to use the practice contest to prepare. The state contest will be held virtually on Aug. 4th at 2 pm.

To register your team for the state contest, contact Ann.Baker@wsu.edu. Registering for practice DOES NOT register you for the state contest.
The State Hippology contest will be held virtually on Tuesday, August 4th at 2:00 p.m. The registration packet will be available soon.

You will need to create a free extension account and then pay $5 to access the practice contest.

The practice contest is open to ALL! If you do not have Hippology in your county, please log in and give it a try!! We hope you enjoy it!!

Coaches and contestants of state teams are encouraged to log in and use the practice contest to prepare.

If you have any questions about the practice contest, the state contest, or getting Hippology started in your county, please contact Kim Baker at [kim.baker@wsu.edu](mailto:kim.baker@wsu.edu).

**California State 4-H Virtual State Leadership Conference Invites Out-Of-State Youth!**

Jenna Colburn, Statewide Community Education Specialist for Civic Engagement and Leadership for California 4-H directs California’s State Leadership Conference. For obvious reasons, the conference is going virtual this year, and they are taking this as an opportunity to expand their audience by inviting youth outside of the California 4-H program. They are hopeful some Washington 4-H youths would be interested in attending. A lot of hard work has gone into creating an educational and fun event.

The schedule of events and information to register can be found here [https://ucanr.edu/sites/4hstateleadership/](https://ucanr.edu/sites/4hstateleadership/). The deadline is coming soon.
“Adding Poultry to Your Family” Workshop Scheduled on Thursday, July 16 – NEW ZOOM LINK!!!

Where are they now, those chicks you bought your kids in March? Are they in your garage awaiting a chicken tractor when it finally warms up? Are they in a coop, with your kids caring for them, and both ready to take on the world? Are they in your second bathroom that no one can use because pullets escape every time someone opens the door? If you are struggling with what comes next between moving your young birds from brooder to laying house or you are thinking of getting “into chickens” soon, then this poultry basics workshop is for you!

We will cover basic and common things to think through before, or after, you have your chicks and some positive/negative behaviors you may see along the way. Poultry diseases we see in the Pacific North West, common pests, and treatments will be covered. Some DIY (recycled) poultry equipment will be featured as well. You will learn how to prepare your birds (and family) for their laying career.

This is a new Zoom address for pre-registration, the address listed last week has been deactivated:

Please pre-register at least 24 hours in advance to join us Thurs., Jul 16, 2020 06:00 PM Pacific Time (US and Canada)

Register in advance for this meeting at: https://wsu.zoom.us/meeting/register/tJMpdeCuqzwoEtKAu8dFo3Tni7jF1yXyInv3

After registering, you will receive a confirmation email containing information about joining the meeting.

Preregistration REQUIRED for 4-H Virtual Showcase Judges Training! The Links Are Here!!

Have you thought about becoming a judge for 4-H? Are you already a judge for 4-H? Have you been through the basics of judging for 4-H? Can you make a successful 4-H comment sandwich? We are looking for current 4-H judges and new volunteers who have subject matter knowledge who are willing to learn, judge, and interact with 4-H youth virtually.
We have a few class sessions that are for everyone like “Technology Basics” and “Basics of Judging for 4-H” then we move into subject matter sessions. We are getting these organized and there will be a VERY short turnaround.

Below is the outline for dates/times and short descriptions for the training sessions. We will be collecting registration/contact information from those who wish to participate and creating a list to share around the state. Please stay tuned to your next Tuesday News for Session 6 updates/times and how to register for those zoom sessions.

To register/sign-up please follow the directions below for each session you wish to participate in. Once registered- for those sessions that have breakout rooms please e-mail Pam Watson at pwatson@wsu.edu with the subject line: Virtual Judges Training. In the body of the e-mail please list the sessions and subject matter/species/area of interest (this can be one e-mail if participating in multiple sessions). Please register 24 hours in advance of the first training you wish to participate in to receive the password for participation. Each session has a different zoom address and password.

Our New State Ambassador Program – Moving Forward With a Clear Vision In 2020!

The Washington 4-H State Ambassadors have a new team of youth leaders from all 4 districts!

They are:

NW District: Samantha Ollis, Danaya Snavely, and Raya Jakobsen.

SW District: Raegan Boyse, Bethany Jacks, Camille Talbot, Mariah Moran, and Sara Baldwin.

SE District: Alana Phillips, Riley Ziegler, Chloe Clyburn, Tori Gutierrez, and Elsie Cziske.

NE District: Peyton Distad, Hayley McDonald, and Peter Minick.

The team also includes state ambassador alumni Hannah Lea and Victoria D’Arienzo as planning team members, as well as Hailey Fagerness and Grant Hollar serving as team support consultants.

Our state ambassadors have chosen to start their work by focusing their action projects in the following areas: Increasing 4-H Awareness, Increasing Teen Involvement in 4-H, and Positive Community Support. Better networking with youth leaders from all over the state is a key priority, as it will allow the team to help them further strengthen the skills and contributions they can provide in their own counties.

We will continue to work together virtually using Zoom video conference calls and our Slack discussion group and will add in-person activities when this becomes possible.

Senior 4-H members interested in becoming an active member of the SA team can email 4-H State Ambassadors at wa4h.sa@wsu.edu (Corrected e-mail Address).
WSU Extension 4-H Steps Up to State Of Washington Lieutenant Governor’s Office’s Mask Making Challenge!

The State of Washington Lieutenant Governor’s Office recently issued a Mask Making Challenge, and information went out about the challenge last week – but not in Tuesday News, unfortunately! WSU Extension Offices have been designated to act as distribution points for the Mask Kits (Which include enough fabric for 10 masks) and for them to advertise and recruit for this challenge.

A link to the information flyer distributed for the Mask Making Challenge is here, A link to the suggested instructions for making masks is here.

Thank you for your support and efforts toward this project!

National 4-H Council Announces Tractor Supply Company Summer Online Campaign

From Sara Hutches, 4-H Council:

As many of you know, this spring, the Tractor Supply Company (TSC) Spring Paper Clover campaign was postponed as we waited to see how the COVID pandemic would unfold. We were hopeful that this would be a short interruption and we’d be able to continue as planned. Unfortunately, months later, many of 4-H programs are restricted from in-person programming and stores are still working to minimize face to face customer interaction. The more we explored options around rescheduling, the more it became clear that we needed to go in a different direction, one that doesn’t depend on in-person interaction and that wouldn’t jeopardize the success of the Fall Paper Clover Campaign by having too many similar customer asks in a short time frame.

As a result, we are excited to announce that TSC is working with us to host a 100% online fundraising campaign this summer. From July 15-26, 2020 customers can donate at online check out This should work for both online (shipped) purchases and curbside pickup. The funds for this campaign will be distributed to local 4-H programs via the Fourward Fund.
We’ve done a little bit with TSC in online fundraising before, but nothing near this extensive. We are excited to use this challenging time period to see how we can grow digital point-of-sale fundraising so that when we return to a “normal” Paper Clover campaign, we can apply those learnings.

This all being said, we are full steam ahead planning for Fall Paper Clover. The dates are the same as before, 10/7/20-10/18/20. TSC is planning on providing additional promotion to try to make it a huge kickoff to the 4-H year. We are hopeful that we will be able to have kids in-store but may need to consider alternatives at that time.

We will provide social graphics to help in promoting the Summer online donation campaign digitally, but those won’t be ready until right before the campaign begins. In addition, because this is different than our regular Paper Clover campaign and entirely digital, we don’t expect individual clubs and 4-Hers to participate like normal, just have them mark their calendars for the fall.

Thanks again for your flexibility and patience!

Share Your STEM Project Or Activity on the 4-H STEM Showcase Instagram Page!

An @4HSTEMShowcase Instagram page has been created, and we would love to profile 4-Her’s STEM projects from around the state on it. If it’s science of any kind – tech, engineering, or math – we want to see it!

It’s easy to share. Just send a jpeg with the 4-Her’s first name, county name and project they are sharing to Michelle Green at michelle.green@wsu.edu. If the county has an Instagram page, we will tag them if it posts. We have 4-Hers doing awesome things, and we want to see them learning by doing!
National 4-H Council Shares Survey on COVID-19 Effects on Youth Mental Health and Loneliness

A new survey commissioned by National 4-H Council, and conducted by the Harris Poll, finds that 7 in 10 teens are struggling with their mental health in the wake of COVID-19. More than half of those surveyed shared that the pandemic has increased their feelings of loneliness, with 64 percent believing it will have a lasting impact on their mental health. The survey, conducted in May 2020, is among the first to examine the impact this unprecedented public health crisis has had on U.S. teens. The aims of the survey are to help practitioners gain a deeper understanding of the state of teen mental health and to gather teen perspectives on the issue as 4-H aims to empower young people with the resources and support to address their health and well-being head on.

4-H Program Preserves Latin American Culture

Hispanic youth in Whatcom County are learning about traditional Latin American dances, folklore, and crafts in a new Washington State University Extension-led 4-H program, Para Familias Latinas.

“Para Familias is similar to a traditional 4-H club, but with a focus on the culture of Latin America,” said Alex Martinez, WSU Whatcom Extension Latinx Outreach Coordinator.

Participants learn to make piñatas, traditional crafts, and learn cultural dances, such as El Colás, a folkloric dance from the Mexican state of Veracruz.

“Many times, families lose traditions from their countries of origin,” Martinez said, using the example of Dia de Los Muertes, or the Day of the Dead. “It’s not just a fiesta – it goes beyond that. Our program helps young people learn and engage with their cultural roots.”
4-H is a national organization with programs throughout the country. WSU Extension supports 4-H programming in Washington, creating opportunities for youth development through volunteering, community projects, leadership activities, and experiential learning.

4-H participants work on posters to let their community know about Para Familias Latinas.

“Having grown up in New Mexico, I have always been aware of what a vibrant and wonderful contribution the Latin cultures make to our community,” said WSU Extension Regional Specialist Michael Wallace, who coordinated the funding for the program.

Wallace said he was excited when Martinez mentioned his passion for arts and culture.

“This program helps bridge the gap in our wider experience of Latinx culture,” he said. “There are a great deal of common values between our Latinx families and people in the wider Northwest, that can be discovered by sharing cultures at fairs and events.”

Martinez reaches out to groups and families, telling them about the program and encouraging them to get involved. The program’s Facebook page has been instrumental in spreading awareness and showcasing videos of traditional costumes, dances, and photographs of Para Familias Latinas projects.

Initially, Martinez worked with three families. That has grown to eight families now involved. Youth participants are between 7 and 12 years old. As more families join the program, Martinez is proud to see Latino students taking ownership of their culture.

“A lot of the kids I work with didn’t know their traditional folk dances,” said Martinez, who has been teaching youth using YouTube videos. “Now, they are learning well.”
Amid COVID-19 closures, Martinez has been adapting his projects. Instead of meeting as a group to make posters, Martinez put together kits with supplies, and dropped them off at his students’ doors so they could work on outreach posters at home.

Although the Latino community in Bellingham is small, Martinez said he hopes his work inspires other counties to provide culturally centered 4-H programs.

“I hope our Washington youth continue to embrace their Latin American roots, that they continue to work with their children, the younger generation, and that they never forget who they are.”

**Upcoming BOGS° Promotion Features 4-H Branded Boots!**

From National 4-H Council:

As we unofficially begin summer, we are excited to finalize the details around the launch of the special 4-H branded BOGS® boots. This has been a very long process that will culminate with the release of the boots the second week in July. BOGS® will donate $5 for each pair of BOGS° 4-H boots sold to the National 4-H Council. The new 4-H boots will be available for men, women, and children.
The boots will be sold online as well as in brick and mortar stores, so they will be available nationwide. Following is a list of Washington state stores where the boots should be available. A national list can be found here. The list is in development and subject to change.

Everyday Actions to Help Prevent the Spread of Respiratory Viruses

Here are everyday actions to help prevent the spread of respiratory viruses:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.
A WSU hand-washing video can be accessed here.

There’s also this link to the Washington State Department of Health’s ‘WashYourHandsingTon” web page.

WSU has established an informational website that is being frequently updated – it can be found here. It has general information from the Center for Disease Control and the Washington State Department of Health.

Because of differing levels of outbreaks and risk of exposure to covid-19 and the coronavirus in different communities, please refer to your local health department and your local County Extension Office for information applicable to your community.
