4-H Virtual Showcase Judges Training Continues! Links to Session Recordings and Registration for Remaining Sessions Are Here!! Preregistration REQUIRED!

Have you thought about becoming a judge for 4-H? Are you already a judge for 4-H? Have you been through the basics of judging for 4-H? Can you make a successful 4-H comment sandwich? We are looking for current 4-H judges and new volunteers who have subject matter knowledge who are willing to learn, judge, and interact with 4-H youth virtually.

We have a few class sessions (**now recorded**) that are for everyone – like “Technology Basics” and “Basics of Judging for 4-H” – then we move into subject matter sessions.

Below is the outline for dates/times (**recordings**) and short descriptions for the training sessions. We will be collecting registration/contact information from those who wish to participate and creating a list to share around the state. **Session 6 updates/times, as well as our final session, Session 7, which will be a round table discussion format – how to register for those zoom sessions is noted below.**

To register/sign-up, please follow the directions below for each session you wish to participate in (**or follow the link for the recordings**). Once registered for those sessions that have breakout rooms, please e-mail Pam Watson at pwatson@wsu.edu with the subject line: Virtual Judges Training. In the body of the e-mail please list the sessions and subject matter/species/area of interest (this can be one e-mail if participating in multiple sessions). **Please register twelve (12) hours in advance of the first training you wish to participate in to receive the password for participation. Each session (or time) may have a different zoom address and password.**

The timeline is as follows

The link to the following document is [July2020RacismAndEquity-v4](#)

The graphic features a black arrow pointing right, containing the Washington State University Extension logo and the text "Study Circle Groups via Zoom Webinar Time & Date - TBD Beginning JULY 2020". To the right is a photograph of a dictionary page with the word "racism" highlighted. Below the photograph is the title "A Vocabulary for Racism and Equity Work" in bold black text.

With the resurgence of public concern regarding social justice issues in our country, some of us may feel a lack of connection to the issues, or we may be having misgivings about long-held beliefs about race, equity and justice, our own and other's. Recognizing we may be disconnected or ill-equipped to engage with others about this topic in meaningful ways may also leave us feeling confused or defensive about an issue that deserves greater personal investment from each of us.

Beginning in July, Extension will host several reading and discussion groups to help volunteers, staff and faculty come to a deeper understanding of what equity is and how racism continues to exist in our democracy. The reading groups will be hosted regionally and will include people who live and work close to you. Generally, the reading groups will last one month, and meet once a week by Zoom to review and discuss seminal readings concerned with race and equity.

The exact dates and times of the reading group Zooms will be coordinated by your local host. If you are interested in being a part of a reading group, please complete the Qualtrics registration below.

Reasonable accommodations will be made for persons with disabilities and special needs who contact their Extension office at least 2 weeks prior to event.
Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your extension office.

The Washington State 4-H Fair is Cancelled

At 4:00 p.m. Wednesday, July 8, the Washington State Fair announced the cancellation of the 2020 fair.

The Washington State Fair announcement can be viewed here:

<https://news.thefair.com/public/viewmessage/html/41324/1ejxdnkrvgamauazdc727q04x8tq0/83756447204c2faf424331222bd9831b>

This cancellation will result in the cancellation of the face-to-face Washington State 4-H Fair for 2020 as well. The WA State 4-H Fair Board has been meeting and will continue meeting over the next two weeks to determine what fair activities and exhibits can be conducted virtually. Several factors will be considered before making a final decision. The results of our deliberations will then go out to our 4-H family no later than July 25.

Best Regards,
Tom Gwin
State 4-H Fair Manager

Statewide 4-H Equine Meeting Scheduled for July 23!!

Mark your calendars for the first ever Statewide 4-H Equine Zoom, scheduled for Thursday, July 23rd at 6:30 p.m. This will be a facilitated conversation around the following topic areas; I would like to have one representative from each county respond to the following topics/questions:

1. What is your county doing with virtual showcase in your 4-H horse program? Please share successes and challenges.
2. What is your county doing related to virtual education as related to your horse program?
3. Other questions/comments.

The zoom link is provided in the flyer below.

For questions, contact Jennifer Leach, State 4-H Equine Specialist, by email, either jleach@wsu.edu or LeachJ@co.cowlitz.wa.us.

all are welcome

California State 4-H Virtual State Leadership Conference Invites Out-Of-State Youth!

Jenna Colburn, Statewide Community Education Specialist for Civic Engagement and Leadership for California 4-H directs California's State Leadership Conference. For obvious reasons, the conference is going virtual this year, and they are taking this as an opportunity to expand their audience by inviting youth outside of the California 4-H program. They are hopeful some Washington 4-H youths would be interested in attending. A lot of hard work has gone into creating an educational and fun event.

The schedule of events and information to register can be found here <https://ucanr.edu/sites/4hstateleadership/>. The deadline is coming soon.

Washington State 4-H Advisory 2020 Meeting Minutes and Summaries Now Available!

Our New State Ambassador Program – Moving Forward With a Clear Vision In 2020!

The Washington 4-H State Ambassadors have a new team of youth leaders from all 4 districts!

They are:

NW District: Samantha Ollis, Danaya Snavely, and Raya Jakobsen.

SW District: Raegan Boyse, Bethany Jacks, Camille Talbot, Mariah Moran, and Sara Baldwin.

SE District: Alana Phillips, Riley Ziegler, Chloe Clyburn, Tori Gutierrez, and Elsie Cziske.

NE District: Peyton Distad, Hayley McDonald, and Peter Minick.

The team also includes state ambassador alumni Hannah Lea and Victoria D'Arienzo as planning team members, as well as Hailey Fagerness and Grant Hollar serving as team support consultants.

Our state ambassadors have chosen to start their work by focusing their action projects in the following areas: Increasing 4-H Awareness, Increasing Teen Involvement in 4-H, and Positive Community Support. Better networking with youth leaders from all over the state is a key priority, as it will allow the team to help them further strengthen the skills and contributions they can provide in their own counties.

We will continue to work together virtually using Zoom video conference calls and our Slack discussion group and will add in-person activities when this becomes possible.

Senior 4-H members interested in becoming an active member of the SA team can email 4-H State Ambassadors at wa4h.sa@wsu.edu (Corrected e-mail Address).

WSU Extension 4-H Steps Up to State Of Washington Lieutenant Governor's Office's Mask Making Challenge!

WASHINGTON MASK CHALLENGE

The State of Washington Lieutenant Governor's Office recently issued a Mask Making Challenge, and information went out about the challenge last week – but not in Tuesday News, unfortunately! WSU Extension Offices have been designated to act as distribution points for the Mask Kits (Which include enough fabric for 10 masks) and for them to advertise and recruit for this challenge.

A link to the information flyer distributed for the Mask Making Challenge is [here](#),
A link to the suggested instructions for making masks is [here](#).

Thank you for your support and efforts toward this project!

National 4-H Council Announces Tractor Supply Company Summer Online Campaign

From Sara Hutches, 4-H Council:

As many of you know, this spring, the Tractor Supply Company (TSC) Spring Paper Clover campaign was postponed as we waited to see how the COVID pandemic would unfold. We were hopeful that this would be a short interruption and we'd be able to continue as planned. Unfortunately, months later, many of 4-H programs are restricted from in-person programming and stores are still working to minimize face to face customer interaction. The more we explored options

around rescheduling, the more it became clear that we needed to go in a different direction, one that doesn't depend on in-person interaction and that wouldn't jeopardize the success of the Fall Paper Clover Campaign by having too many similar customer asks in a short time frame.

As a result, we are excited to announce that TSC is working with us to host a 100% online fundraising campaign this summer. From **July 15-26, 2020 customers can donate at online check out**. This should work for both online (shipped) purchases and curbside pickup. The funds for this campaign will be distributed to local 4-H programs via the Fourward Fund.

We've done a little bit with TSC in online fundraising before, but nothing near this extensive. We are excited to use this challenging time period to see how we can grow digital point-of-sale fundraising so that when we return to a "normal" Paper Clovers campaign, we can apply those learnings.

This all being said, we are full steam ahead planning for Fall Paper Clover. The dates are the same as before, 10/7/20-10/18/20. TSC is planning on providing additional promotion to try to make it a huge kickoff to the 4-H year. We are hopeful that we will be able to have kids in-store but may need to consider alternatives at that time.

We will provide social graphics to help in promoting the Summer online donation campaign digitally, but those won't be ready until right before the campaign begins. In addition, because this is different than our regular Paper Clover campaign and entirely digital, we don't expect individual clubs and 4-Hers to participate like normal, just have them mark their calendars for the fall.

Thanks again for your flexibility and patience!

Share Your STEM Project Or Activity on the 4-H STEM Showcase Instagram Page!

An @4HSTEMShowcase Instagram page has been created, and we would love to profile 4-Her's STEM projects from around the state on it. If it's science of any kind - tech, engineering, or math - we want to see it!

It's easy to share. Just send a jpeg with the 4-Her's first name, county name and project they are sharing to Michelle Green at michelle.green@wsu.edu. If the county has an Instagram page, we will tag them if it posts. We have 4-Hers doing awesome things, and we want to see them learning by doing!

National 4-H Council Shares Survey on COVID-19 Effects on Youth Mental Health and Loneliness

A new survey commissioned by National 4 H Council, and conducted by the Harris Poll, finds that 7 in 10 teens are struggling with their mental health in the wake of COVID-19. More than half of those surveyed shared that the pandemic has increased their feelings of loneliness, with 64 percent believing it will have a lasting impact on their mental health. The survey, conducted in May 2020, is among the first to examine the impact this unprecedented public health crisis has had on U.S. teens. The aims of the survey are to help practitioners gain a deeper understanding of the state of teen mental health and to gather teen perspectives on the issue as 4-H aims to empower young people with the resources and support to address their health and well-being head on.

Everyday Actions to Help Prevent the Spread of Respiratory Viruses

Here are everyday actions to help prevent the spread of respiratory viruses:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

A WSU hand-washing video can be accessed [here](#).
