# Youth Participation Requested!!

## Survey of Youth and Animal Interaction During COVID-19

We want to know more about how young people are spending their time during social isolation from COVID-19, especially when it comes to youth and animals! Please consider asking youth age 7- 18 in your household to complete this brief survey.

[https://wsu.co1.qualtrics.com/jfe/form/SV\\_8AD7icrMp6v9WMR](https://wsu.co1.qualtrics.com/jfe/form/SV_8AD7icrMp6v9WMR)

¡Queremos saber más sobre cómo los jóvenes pasan su tiempo durante el aislamiento social de COVID-19, especialmente cuando se trata de jóvenes y animales! Por favor considere pedirle a los jóvenes de 7 a 18 años en su hogar que completen esta breve encuesta.

## IMPORTANT REMINDER Regarding WSU Extension Adult/Youth Interactions during COVID-19

As we are all in communication via technology with youth at this time, I would like to take this opportunity to remind everyone of WSU Extension’s policy on interactions. **Under this policy, AT NO TIME should one adult be meeting or communicating with youth WITHOUT the presence of another adult.** This policy pertains to Zoom conferences, telephone conversations, text messages, social media posts, etc. To facilitate communication, make certain to cc another adult on written communications, and invite another adult to be present during virtual meetings. The second adult is recommended to be a WSU volunteer; other adults can serve in this role if you’re in a pinch.

# Ag Of The Middle Business Accelerator Cohort Now Forming!

Ecotrust is now accepting applications for the 2020-2022 Ag of the Middle Accelerator Program! To make this program accessible during the COVID-19 pandemic, we are going 100% virtual! This is a two-year, hands-on, capacity-building and business development program. It is designed to help cultivate a thriving cohort of mid-sized, independent farms, ranches, and fishing operations in the region that spans from Northern California, Oregon, Washington, and Alaska.

This business development program provides instruction from experts on subjects such as business structure, finance, taxation, accounting, credit, market development, food justice and more. Designed to fit the demands of the producers we serve; trainings and one-on-one technical assistance sessions are scheduled between December and March so producers can focus on their businesses during the busy growing season.

The goal is a modern-day “ag of the middle” sector that can supply regional markets with products raised in ways good for land, soil, water, people, and animals. Through this program, participants will have the opportunity to get dedicated, customized business support from an array of service providers who understand the unique needs of independent, smaller-scale producers who want to grow with integrity.

Interested in becoming a participant in the business accelerator program? Please complete the [program application](#) by October 2, 2020 and visit [our website](#) for more details.

An informational session will be held on **Monday, September 14, 2020** from 9-10 am to answer your questions and provide an overview of the program. To attend the info session, [please register here](#) by **September 10th**.

## **Application & Program Timeline:**

- **August 24th** – application period opens.
- **September 14th** – program info session (Webinar).
- **October 2nd** – application deadline.
- **October 16th** – announcements of application acceptance will commence.
- **December 1st** – program kickoff

If you have any questions about the program, or how to message the program to your network, please contact Tyson Rasor ([trasor@ecotrust.org](mailto:trasor@ecotrust.org) or 503-467-0783) or Yolimar Rivera Vázquez ([yolimar@ecotrust.org](mailto:yolimar@ecotrust.org) or 503-467-0819).

## **Submit Your Community Video!**

Submission deadline: September 11, 2020

Send us a video telling us or showing us how you envision the possibilities for prevention in your community!

The first-ever virtual Prevention Summit will be held November 3-4, 2020. This year our theme is 2020: Envision the Possibilities. We are eager to reflect on the progress within our field and how we can access these important milestones to envision the possibilities for youth, families and communities through the lens of prevention.

Be sure to include the following elements in your video:

- Your name
- Coalition name or agency name
- Community/location
- The following prompt: *"When I/we envision the possibilities for prevention in our community, I/we imagine..."*
- Don't forget to invite other community partners to join you!

Video files should be saved as .mov or mp4 and should be submitted to [fallon.baraga@hca.wa.gov](mailto:fallon.baraga@hca.wa.gov) with "Prevention Summit Video Clip" in the subject line.

Note: Please be sure that there is a local media release on file for all participants (youth and adult).

### **About the Summit**

The goal of the Prevention Summit is to provide an enriching and culturally competent training and networking opportunity for youth, volunteers and professionals working toward the prevention of substance abuse, violence and other destructive behaviors as well as integrating such prevention efforts with primary health care.

For more information, visit our website at [www.preventionsummit.org](http://www.preventionsummit.org)

## The 2021 Sewing & Stitchery Expo Is Going Virtual!

### Join us from the comfort of your own home February 24-28!

The 2021 Sewing & Stitchery Expo is coming to you live – virtually, in your home or studio! In the interest of the health and safety of our attendees, vendors, teachers, and staff, we’re going virtual so you can shop, learn, and experience right from your sewing room!

We’ll miss seeing everyone in person, browsing our incredible vendor floor, snacking on scones, and all the amazing things that make Expo such a special event. This year, we’ll see your smiling faces online in our virtual classes, on the virtual vendor floor, and of course on the Free Stage!

We’ll have more information and details on classes, tickets, and our online platform soon, so mark your calendars now for the 2021 Virtual Sewing & Stitchery Expo. Bookmark us at [sewexpo.com](http://sewexpo.com) for easy access and follow us on your favorite social platform for updates.

**We’re here to help! If you have questions, please let us know.**

## **Ferry County 4-H's Talon Callahan Participates in National 4-H Council's Opportunity4All Forum**

The proven impact of Cooperative Extension's 4-H positive youth development program in addressing the nation's opportunity gap was the focus of the Opportunity4All Forum on August 5, a one-hour virtual program produced by National 4-H Council. Highlights included youth perspectives on social justice and mental health. Extension, celebrity, corporate and foundation leaders shared their views and expertise on the action needed to create more opportunities for youth and communities. In addition, a powerful new white paper, Beyond the Gap, co-authored by Oregon State University Professor and Youth Development Specialist Mary Arnold, [is available here](#). Forum interest was high, with 1,142 registrants, including 657 Extension professionals. Click [here](#) for more information about the Opportunity4All Campaign.

**National 4-H Council's Opportunity4All Forum included our own Talon Callahan, from Ferry County. Watch the recording [here](#).**

### **National 4-H Council Shares Survey on COVID-19 Effects on Youth Mental Health and Loneliness**

A new survey commissioned by National 4 H Council, and conducted by the Harris Poll, finds that 7 in 10 teens are struggling with their mental health in the wake of COVID-19. More than half of those surveyed shared that the pandemic has increased their feelings of loneliness, with 64 percent believing it will have a lasting impact on their mental health. The survey, conducted in May 2020, is among the first to examine the impact this unprecedented public health crisis has had on U.S. teens. The aims of the survey are to help practitioners gain a deeper understanding of the state of teen mental health and to gather teen perspectives on the issue as 4-H aims to empower young people with the resources and support to address their health and well-being head on.

### Everyday Actions to Help Prevent the Spread of Respiratory Viruses

Here are everyday actions to help prevent the spread of respiratory viruses:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

A WSU hand-washing video can be accessed [here](#).

There's also this [link](#) to the Washington State Department of Health's "WashYourHandsingTon" web page.

WSU has established an informational website that is being frequently updated – it can be found [here](#). It has general information from the Center for Disease Control and the Washington State Department of Health.

**Because of differing levels of outbreaks and risk of exposure to covid-19 and the coronavirus in different communities, please refer to your local health department and your local County Extension Office for information applicable to your community.**
