Washington State 4-H Equine Presentations Competition Rules

Contest Information

Amendments necessary due to COVID-19 are noted in red throughout this document.

1. The Equine Presentations Competition is comprised of three categories: Public Speaking, Individual Presentation, and Team Presentation. Contestants may participate in only one category per year at the Washington State 4-H Equine Presentations Contest.
2. Equine presentations differ from other 4-H public presentations in two ways: the topic/subject must pertain to the equine industry; and, each contest has very defined time constraints and penalties. Presentations not appropriately related to the equine industry can be disqualified at the judge's discretion.
3. In public speaking, the information is delivered as a speech and no visual aids are allowed. A podium can be used, but it is not required.
4. Contest officials will provide a podium, easels, projector screen, and two tables. Additional equipment (e.g.: projector, etc.) must be supplied by the contestant. A microphone (or other public address system) will not be used in any category. ***Not applicable for 2021.***
5. Content should be original and constructed and delivered by the 4-H member. Resource citation should be specific, accurate, and honest. Any form of plagiarism is strictly prohibited. Plagiarism can include, but is not limited to: copying parts of a speech or presentation previously presented by another youth or individual; using text, phrases, photos or diagrams from an article, video, book, movie, or other published work without giving credit to the author. If contest officials confirm plagiarism, the contestant will be automatically disqualified, with a notation on the scorecard to reflect such infraction. If another contestant, coach, or parent can provide proof of plagiarism, they must present their findings, prior to the end of the contest, to the state 4-H contest coordinator (J. Leach). The state 4-H contest coordinator will then communicate the protest to the appropriate show management and/or State 4-H program leader (or designee) for review of the protest; and make a ruling.
6. Improper attire will be a violation and appropriate points deducted on the scorecard. Improper attire will be determined at the discretion of the judges. Business attire or dress appropriate to the speech is acceptable.
7. The top scoring individuals of the Washington State 4-H Equine Presentations Contest qualify to represent Washington State 4-H at the Eastern National 4-H Roundup in Louisville, KY in November of the same year.* After competing in a category at the Eastern National 4-H Roundup, members are ineligible to compete in the same category again. Other national competition opportunities may exist. Please refer to the Equine National Contest Application.

Contestant Eligibility and Registration

1. Age for competition is determined by October 1st of the current 4-H year. To be eligible for this contest, the 4-H member must be 14 years old prior to October 1st and cannot be 19 years old prior to October 1st. NOTE: Age for competition at the Eastern National 4-H Roundup is: As of January 1, of the year in which the event is held, contestants must be at least 14 years of age, but not have reached their 19th birthday. Therefore, it is possible that a contestant who is eligible to participate in the state competition is ineligible to advance to the Eastern National 4-H Roundup Competition.
2. Each county may enter up to four senior contestants: one for individual presentation, one for public speaking, and two for team presentation. Individuals may be selected by any procedure the county deems appropriate.
3. All contestants must be enrolled 4-H members in their respective county, and in good standing. Eligibility must be certified by county 4-H staff.

Washington State 4-H Equine Presentations Competition Rules

4. **Register by submitting the attached registration to your county 4-H office.** 4-H staff will submit registration on form WS4HF/1.06 to State Fair Staff once they confirm contestant eligibility.
5. Certification of participation eligibility should consider the following: “This contestant has not participated in post-secondary coursework in the subject area of the county 4- H competition, nor have they participated in training for post-secondary competition in the subject area of the county 4-H competition.” See details below:
 - a) Post-secondary undergraduate students may participate in and/or complete freshman and sophomore level equine management or communications courses. Students completing a junior, senior or graduate level equine and/or communications course are ineligible to participate in the county 4-H competition.
 - b) Students are ineligible to participate in a county 4-H competition if they are currently enrolled in courses that provide specific training for the competitive event in which they are participating. For example, student participation in collegiate horse judging events, on intercollegiate horse judging teams and in intercollegiate communication events would eliminate a 4-Her’s eligibility to participate in the county 4-H horse judging competition.

Judging: Scoring, Ties and Criteria

1. Judges will be chosen at the sole discretion of the state 4-H contest coordinator. Three or four judges will score each presentation independently. After all presentations are complete, judges may confer and discuss their evaluations. Each judge will then assign their final scores. The top three judge’s final scores are combined to determine the final placings. The contest coordinator may review and check tabulation for accuracy.
2. Ties will be broken first by combining the top three judges’ Delivery score; second by the top three judges’ combined Presentation Format score; and third by the top three judges’ combined Credit and Content score.
3. Score sheets and judging criteria are included in this document.

AMENDMENTS FOR 2021: CONTEST WILL BE VIRTUAL

- The virtual platform used for this contest will be Zoom. Contestants must have a Zoom account to participate. Visit www.zoom.us to create a free account.
- Contestants should be familiar with Zoom and keep the constraints of Zoom in mind. For example, the judges must be able to see visual aids/props and the speaker simultaneously.
- For connectivity purposes, it is recommended that all other devices in the household be turned off and that direct Ethernet connection go from internet to the computer, rather than using the router. County 4-H staff can provide assistance prior to the contest to become familiar with best practices with Zoom.
- Due to the Governor’s mandate that masks be worn indoors and the incompatibility of masks with presentations, team presentation members must be on separate zoom windows, unless they are family members, in which case they may be in the same room.
- Additional amendments are noted in **red** throughout the document.
